Ike Outlines Defense Revision

House Okehs Highway Bill To Help Battle Recession

Senate Due To Approve Later Today

\$1.8 Billion Measure Seen Certain To Go To Ike For Signing

WASHINGTON (AP)—The House passed and sent to the Senate today a compromise \$1,800,000,000 anti-recession highway construction bill.

The Senate seemed likely to approve the measure promptly and send it to the White House before Congress starts a 10-day Easter recess later today.

Vote Was 299-28

The roll call vote was 299-28. Previously the House defeated 222-109 an attempt to send the bill back to a Senate-House conference committee for further consideration.

Major difference between the original Senate and House versions was inclusion by the Senate of a provision intended to curb erection of billboards along interstate highways. This provision was retained in the compromise.

Could Have Delayed

House rejection of the compromise would have precluded further action on the measure until April 14, when the congressional Easter recess starting later today ends.

Senate passage was considered certain, because the conferees on Tuesday largely accepted the Senate provisions.

Winnie Goes Home; Waves Off Any Help

NICE, France (AP)—Sir Winston Churchill flew off to London today after a 2½-month Riviera vacation marred by an attack of pleurisy and pneumonia.

A drizzling rain fell as the 83-year-old statesman boarded the plane. He was bundled in a black overcoat and wearing a grey hat.

He waved aside assistance after being helped from the car but he walked slowly, with a cane in one hand and a cigar in the other. He looked pale and his face lacked its old fullness.

About 300 persons saw him off. Churchill was accompanied by his wife, Lady Churchill; his personal secretary, Anthony Montague Browne; and his Scotland Yard bodyguard, Sgt. Edmund Murray.

Sources close to the Churchill household said Sir Winston had been offered a special military hospital plane but turned it down, saying "I want to return the same way I came here."

Churchill, staying at the Villa la Pausa at Roquebrune, had little time for his favorite hobby of painting during this vacation. The weather has been spotty ever since he arrived Jan. 15, and for the past month of his illness and convalescence he has hardly been allowed outdoors.

His return home was approved by his doctors, and is considered a good sign that the wartime leader has recovered.

Appeals Court Upholds Flaxer Contempt Count

WASHINGTON (AP)—The United States Court of Appeals today upheld the contempt of Congress conviction of Abraham Flaxer, former president of the now defunct United Public Workers of America.

The Flaxer conviction, which carried a two months prison term had been remanded back to the Appeals Court for review by the Supreme Court in light of the Watkins decision involving pertinency of the line of inquiries by congressional committees.

Flaxer was convicted of contempt for refusing to turn over membership records of his union when he appeared before the Senate Internal Security Subcommittee.

The court noted that Flaxer had refused to submit the membership records to the committee which was investigating communist infiltration — even after he was informed that the committee was in executive session and that the lists would not be made public unless so ordered by the entire committee.

LOVE RIVAL SLAYING SUSPECT — Manacled Emil Maerling eyes gun police say he used to slay Michael Ciccarene last October 27. Maerling, captured yesterday in a New York hotel, is accused of shooting Ciccarene after learning he had been going out with his wife, Mary, while Maerling was in State Prison.

Close Moon Look Cited By McElroy

WASHINGTON (AP)—Defense Secretary Neil McElroy said today that space exploration has ordered will provide a "close look at the moon."

The secretary, testifying before the Senate Preparedness Subcommittee, disclosed that the Pentagon's own space agency has a "highly secret" but "well formulated" and "specific" 1959 program.

Although he stressed that it is secret, he said he could divulge that it involves "strictly military programs as well as a mixture of programs involving the securing of additional scientific data, some of which has military uses including the acquisition of new meteorological data."

Advanced Projects Agency

The Pentagon space organization which will conduct the program cited by McElroy is the Advanced Research Projects Agency.

McElroy was called before the committee to give a progress report on the 17 recommendations the committee made on January 23. He said the \$1,592,300,000 in extra funds for defense which President Eisenhower asked yesterday will implement eight of the unit's own proposals.

His prepared statement dealt at length with how he would spend the additional money and was a "repeat" of the breakdown Congress already had.

But in referring to five space programs previously announced by the Pentagon as in the works, McElroy said:

To Determine Capabilities

"The programs authorized include both scientific earth satellites and efforts to determine our capability of exploring space in the vicinity of the moon to obtain useful data concerning the moon and provide a close look at the moon."

Committeemen said they hope to question McElroy later in the day on the administration's recommendation for a space reorganization of the Pentagon.

Reddick Trial Set

BALTIMORE (AP)—April 21 has been set as the trial date for Dr. Robert Reddick, who pleaded innocent to charges of improperly using a state seal and preparing false medical credentials.

It is not a cancer cure.

It has kept a couple of far-advanced cancer patients alive for a year or more, and helped some others. It has made some cancer shrink, and some disappear for a while.

It has failed to help other patients. It usually produces harmful and undesirable reactions while it is producing its good effects.

Killer Of Eight To Face Trial

GLASGOW (AP)—A Glasgow court today ordered a 31-year-old carpenter to stand trial for eight murders.

The defendant, Peter Manuel, pleaded innocent to charges that he killed three women, three teen-age girls, a man and a boy between January, 1956, and January, 1958.

The trial was scheduled to begin in Glasgow high court on April 14.

New England Coast Storm Loss Mounts

BOSTON, Mass. (AP)—Coastal New England counted its damage losses in the millions and kept a wary eye on the Atlantic which was expected to flood beachfronts and pound over sea walls again today.

In a special bulletin, the Weather Bureau said tides would run from one to three feet above normal from Portland, Maine, to Nantucket, Mass., and that rough seas and pounding surf would continue.

Winds, which yesterday reached more than 60 m.p.h. onshore and up to hurricane force over 75 m.p.h. offshore, diminished. The storm center moved seaward.

The forecast was for intermittent rain in the south portions and some snow in the north and in the higher elevations.

The northeast storm yesterday churned the Atlantic into a fury. Tides and crashing surf flooded coastal communities in Massachusetts and Maine, marooned hundreds of persons, undermined scores of cottages and business establishments, washed out roads and spewed debris, sand and boulders onto highways.

There was rain in southern New England and wet snow, up to 12 inches deep, in Maine.

Pope, Raab Confer

VATICAN CITY (AP)—Chancellor Julius Raab met in private for a half-hour today with Pope Pius XII to discuss a new concordat which Austria is seeking.

The Labor party opposed the bill on the ground it did not insure more Laborites in the predominantly Conservative upper house.

Batista Acts To Head Off Rebel Strike

Issues 'Kill' Order To Workers If They Need To Keep On Job

HAVANA, Cuba (AP)—President Fulgencio Batista's government today authorized workers to kill, if necessary to stay on their jobs, when rebel leader Fidel Castro issues his long-threatened call for a general strike.

The order—one of three of the harshest decrees in the history of the Cuban republic—was issued by Batista and his Cabinet after an all-night meeting.

A second decree barred any judge from issuing a ruling against a government official or agency or against any government or legal opposition leader. Judges who failed to obey would be immediately dismissed.

The third order said any employer who ordered a work stoppage of any kind could be jailed up to six months.

All government ministers were authorized to issue licenses to bear arms to Cuba's 150,000 public employees and all other workers.

The decree absolved workers of criminal responsibility for any steps they thought necessary—including killing—to prevent being marooned 200 in the Sierra Nevada and sent rivers flooding over their banks.

Four persons died — two by drowning and two others in accidents attributed to the storm.

The Southern Pacific Railroad's streamlined City of San Francisco with 97 persons aboard was stranded in a snowed near Donner Summit in the Sierra Nevada northeast of San Francisco.

Two avalanches of snow buried a 22-car mail train on the track ahead, stalling the crack west-bound passenger train which followed. All 25 on the mail train got out but two trainmen were injured.

The "City," en route from Chicago to San Francisco, was hung up just three miles from where it was stalled in snow for days in 1952.

200 Marooned

Some 200 persons were stranded in the mountain chain that runs along the state's western boundary — 150 of them at Donner Summit Lodge. Many of them were skiers.

The governor alerted National Guardsmen in Santa Clara County, south of San Francisco, and at Stockton in the Central Valley, where flood dangers threatened.

Only light rains were forecast for today, lessening the flood threat somewhat, although the ground over much of California remained perilously soggy.

Nine Light Poles On Truck: Thief Flexes Muscles

CHICAGO, Ill. (AP)—Ray Sherman has police in the dark as to just how he put nine long light poles on his truck.

Sherman, 28, was seized by detectives yesterday on a charge of stealing the nine city street lighting poles which were found in his truck.

Sherman told the detectives he worked for the city picking up the old poles but they said he couldn't produce identification and he was jailed.

The detectives said they couldn't figure out how Sherman got the poles on the truck. They are 12 feet long, made of cast iron, and weigh 200 pounds each.

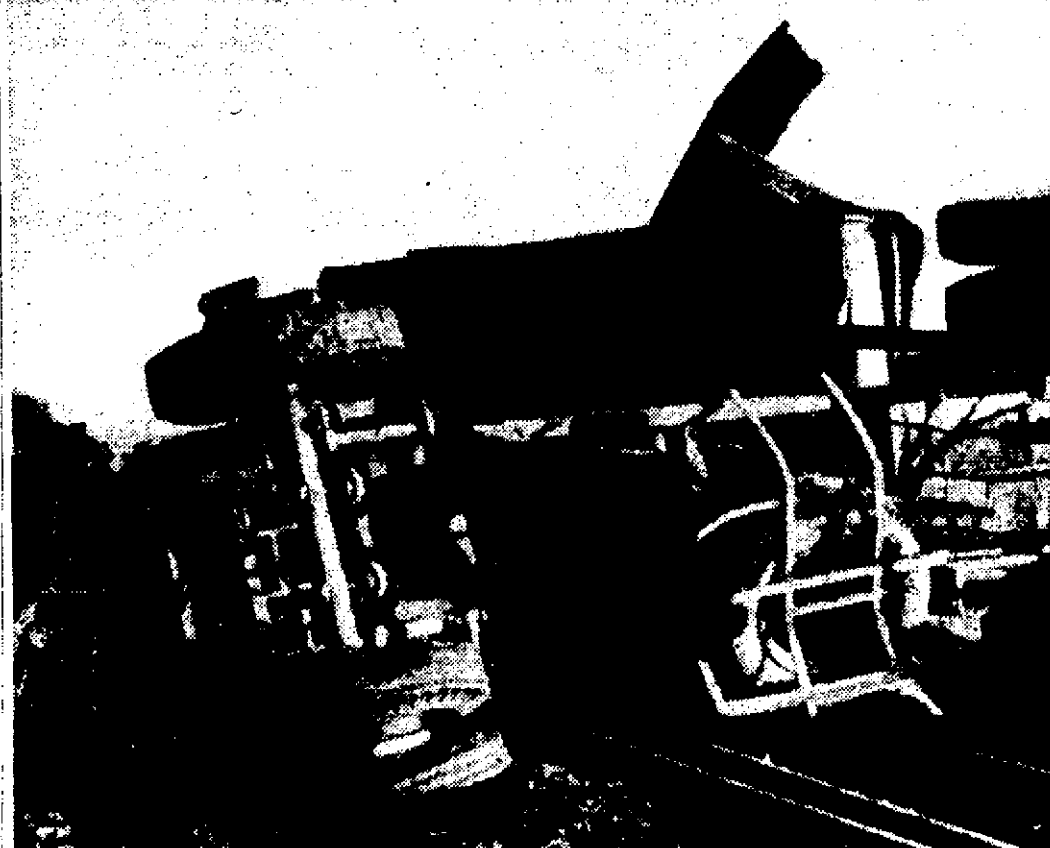

Four city workers with a crane moved the poles from Sherman's truck. Asked how he loaded them alone, Sherman just flexed his muscles and grinned.

Plane Located; One Flier Alive

WILLIAMSTOWN, Mass. (AP)—An Air Force helicopter, taking part in a huge aerial search of the snowed-out Berkshire Hills today, located a missing Navy twin-engine plane on the south-west side of Mt. Greylock, and removed an injured airman to North Adams Hospital.

The survivor, Cmdr. Robert Vandenberg, pilot of the wrecked plane, was taken unconscious to the hospital, where he was reported in deep shock.

Killed in the crash was Lt. Eugene H. Ganley.

TRUCK DERAILS CAPITOL LIMITED — The B&O Railroad's westbound Capitol Limited was derailed today a half mile southeast of Lodi, Ohio, after being hit by a loaded coal truck which was cut in two, above. Twenty

were shaken up, none seriously. Only the truck driver, James Hurt, 21, LaGrange, Ohio, was hospitalized. He said brakes on the truck failed at the railroad crossing. Story on Page 14. (AP Photos)

Knight Issues Disaster Call In California

Rain, Snow Cause Floods; Four Die, 200 Said Marooned

SAN FRANCISCO (AP)—Gov. Goodwin J. Knight declared California a disaster area today as steps they thought necessary—including killing—to prevent being marooned 200 in the Sierra Nevada and sent rivers flooding over their banks.

Four persons died — two by drowning and two others in accidents attributed to the storm.

The Southern Pacific Railroad's streamlined City of San Francisco with 97 persons aboard was stranded in a snowed near Donner Summit in the Sierra Nevada northeast of San Francisco.

Two avalanches of snow buried a 22-car mail train on the track ahead, stalling the crack west-bound passenger train which followed. All 25 on the mail train got out but two trainmen were injured.

The "City," en route from Chicago to San Francisco, was hung up just three miles from where it was stalled in snow for days in 1952.

Poor Britons Given Money

LONDON (AP)—Queen Elizabeth II today gave "Maundy money" to 31 poor oldsters selected to participate in an ancient Holy Thursday ceremony at Westminster Abbey.

Each of the men and women received 31 pence — about 40 U.S. cents — from the queen. The number of persons and the amount of alms distributed is determined by the age of the reigning monarch.

The Duke of Edinburgh read the lesson at the service while the queen gave the Maundy money to her subjects.

U.S. Economy Drop Termed Psychological

FRANKFURT, Germany (AP)—Economics Minister Ludwig Erhard flew back from a 10-day visit to the United States today and said the American recession is mostly psychological.

"The American people," he told reporters, "have been hit by a psychological short-circuit."

He said he noticed a widespread feeling of insecurity in the United States, but added that this was not the only reason for the recession.

Referring to the flow of goods from American industries, Erhard said: "The saturation point has been reached and the consumer is reacting with a buyer's strike."

Erhard, principal architect of West Germany's postwar economic recovery, said that everywhere he went in the United States, people regarded him as an economic medicine man who could cure almost everything.

He said his recommendation was more government spending, but said anti-inflation measures should not be allowed to weaken the dollar.

Police Hunting For Extortionist

CHICAGO (AP)—Police hunted today for an extortionist who they said had demanded \$5,000 from a Roosevelt University faculty member, who is a grandson of a New York multimillionaire. The writer threatened harm to his daughters if the money was not paid.

Police disclosed that Frank U. Tierney, 42, an assistant professor of political science, his wife and three children have been under police protection since Tuesday night when the ship was about 420 miles from the Azores. The carrier took on some water.

Damaged U. S. Carrier Heads Toward Azores

NEW YORK (AP)—The damaged aircraft carrier Corcoran has picked up speed on her way to the Azores.

The 15-year-old carrier's hull was cracked by high seas Tuesday night when the ship was about 420 miles from the Azores. The carrier took on some water.

Huck Finn Junket Ends Up In Court

LOS ANGELES (AP)—Huckle Finn's Mississippi — an adventure story by Mark Twain — was the subject of a lawsuit today in Los Angeles.

Floating down a river was just Don Pullen, 19, all of suburban good, clean fun in the day of ban Reseda. They set sail on a Mark Twain's hero. But in Mu-rubber life raft, "just for fun," it wasn't so funny when they made under radar silence and off the regular sea lanes. The vessels were reported built in Poland and each, payable within a year, partitions. A helicopter used the were piloted to Alexandria by the Los Angeles River, unlike windstream of its rotors to blow Egyptian crews.

Huck Finn's is paved, sides and them to the bank. Police pulled bottom. Except during heavy rain, it carries a trickle that will just about float a dead leaf, capade may have had vanished the channel became a raging them. "The times you must pay T.I. 104 jet liners. The paper said the Soviet Union has agreed to sell the U. A. R. the planes.

Secretary To Get Full Authority

Based On Principle Separate Ground, Air, Sea Warfare Is Gone

WASHINGTON (AP)—President Eisenhower today proposed a sweeping Pentagon reorganization plan giving the Secretary of Defense unified authority over military strategy, personnel, spending and missile-age research and development.

The reorganization plan, a great deal of which will require legislation, was outlined in a 7,000 word message to Congress. It is based on six major categories of proposals which the President said are vital to gear the U. S. for space-age warfare and peacetime preparedness.

Mr. Eisenhower said his plan flows from the principle that "separate ground, sea and air warfare is gone forever."

Completely Unified

He declared that "strategic and tactical planning must be completely unified, combat forces organized into unified commands, each equipped with the most efficient weapons systems that science can develop, singly led and prepared to fight as one, regardless of service."

Toward this end, he said that the defense secretary's authority must be strengthened and other changes must be made along the line, including a reshuffling of joint chiefs of staff operations.

Mr. Eisenhower did not propose that the joint chiefs be supplanted by a single chief of staff, but he asked for repeal of a law giving members of the joint chiefs a vote while the chairman has none. None of them would have a vote under the President's plan.

Chiefs Do Not Vote

It was explained that the joint chiefs do not reach decisions by voting. The chairman, Mr. Eisenhower said, should be given authority, however, to appoint a director to the joint staff which works under the chiefs and to assign duties to that staff. This would require congressional approval.

The President's six point program calls for:

—Organization of fighting forces "into operational commands that are truly unified, each assigned a mission in full accord with our overall military objectives." The President called for amending the present law "to remove any possible obstacles to the full unity of our commands and the full command over them by unified commanders."

—Command channels must be cleared "so that orders will proceed directly to unified commands from the commander-in-chief and secretary of defense" instead of being diverted through the secretaries and service chiefs of the individual military departments.

—The military staff in the defense secretary's office must be strengthened to provide the cabinet members and President with adequate professional advice.

Therefore, the President has directed that the joint chiefs "will in the future serve as staff assisting" the defense secretary in his unified command and any orders the joint chiefs issue will be under the authority and in the name of the secretary of defense.

To Advise, Assist

Along this line, Mr. Eisenhower said he is issuing instructions that the function of the joint chiefs "is to advise and assist the secretary of defense in respect to their duties and not to perform any of their duties independently of the secretary's direction."

The President proposed a change in the law to allow each military service chief to "delegate major portions of his service" (Continued on Page 2, Col. 5)

Arab Federation Gets Three Subs From Russ Bloc

CAIRO (AP)—The newspaper Al Shaab reported today that the United Arab Republic has obtained three more submarines from the Soviet bloc.

Egypt received three Soviet-made submarines from the Soviet Union after the 1956 British-French-Israeli invasion.

Al Shaab said the new undersea flotilla arrived at Alexandria Tuesday after a trip from Poland made under radar silence and off the regular sea lanes. The vessels were reported built in Poland and each, payable within a year, partitions. A helicopter used the were piloted to Alexandria by the Los Angeles River, unlike windstream of its rotors to blow Egyptian crews.

Another deal with the Communist bloc was reported by the newspaper Al Shaab, which said the U. A. R. is planning to start a worldwide airline using Soviet-made under radar silence and off the regular sea lanes. The vessels were reported built in Poland and each, payable within a year, partitions. A helicopter used the were piloted to Alexandria by the Los Angeles River, unlike windstream of its rotors to blow Egyptian crews.

Twisters Hit Texas Killing At Least One

Two Missing, 13 Hurt: Warnings Ignored As People Watch Funnels

WICHITA FALLS, Tex. (P) — Three tornado funnels whirled a deadly pattern across this north Texas city yesterday. One man was killed, two were missing and 13 injured, including a child.

The twisters demolished or damaged 175 homes and business houses.

Sirens wailed a warning that was largely ignored. Hundreds braved storms of rain and hail in the streets to watch the tornadoes. Many stayed until the funnels were almost over their heads before fleeing the streets.

One funnel struck from the northwest, lumbering to the path generally taken by tornadoes and approaching within the downtown area. A second hit a residential area west of the city and the third struck southward, paralleling the main highway to the east.

At the same time twisters dipped around north Texas and set off alarms at a number of towns. There was some damage but no injuries. Most of Texas and Oklahoma was under a tornado alert during the day.

Priest Plans Study Project On Politicians

HAYDEN LAKE, Idaho (P) — A Catholic priest with \$16,000 and a yen to promote an abstract government study opens an unusual conference of practical politicians next Thursday.

Big names in education, labor and social welfare have agreed to meet with the politicians in the Rex, Richard L. Twiss's first National Conference on Political Parties at his secluded lake resort.

Such practitioners as Senators Neuberger (D-Ore.), McNamara (D-Mich.), Bennett (R-Ill.), Jackson (D-Wash.), Republican Gov. Cecil Underwood of West Virginia and Democratic Chairman Paul Butler will eat and sleep here, talk and think for four days about the state of the democratic process.

Father Twiss, 44, chairman of political science at Gonzaga University in Spokane, conceived the idea of a quiet, informal round-table of leaders from "the three great organs of our civilization... the stadium, universities, the regime, civil powers and the sacrament churches."

Cuba Rebel Supporters Call Off Hunger Strike

BROWNSVILLE, Tex. (P) — Plans, also took food for the first thirty-five Cuban rebel sympathizers who staged a seven-day hunger strike after they were arrested near Brownsville, Tex. last week, smile as they break the strike with bouillon and crack-

ers last night. Alfredo G. Barron, leader of the group, sits between his assistant, Mario Ybarra LeCour (left) and Rev. Ignacio Mosqueda Avila.

Slump Slated To Continue Into Autumn

GENEVA (P) — The U.N. Economic Commission for Europe predicts the recession in the United States probably will run at least through autumn and Western Europe had better start doing something to help itself.

But the United States downturn was not blamed entirely for the European economic outlook. The commission reported the West European boom has been losing strength for two years, due in part to the tight money policies of most West European governments.

In its annual survey, the commission said the U.S. business downturn is bound to affect Western Europe through most of 1958, because American businessmen and consumers will be buying less all over the world.

Not only will this result in fewer U.S. purchases in Europe this year but Asian, African and Latin-American countries will buy less in Europe because their own income will be curtailed by fewer orders from the United States, it said.

For the United States itself, the commission forecast lower personal income and less money to buy things. An upturn "seems unlikely before autumn at the earliest," the report said.

Maryland Short Of Red Cross Goal

WASHINGTON (P) — The head of Maryland's Red Cross drive says only three of the state's 22 chapters have achieved their quotas.

Albert C. Borghi, Washington attorney, said yesterday Maryland was \$746,575 short of its \$1,582,707 goal.

Capital Punishment Banned In Delaware

DOVER, Del. (P) — Capital punishment is banned in Delaware after being in effect for 329 years. Gov. J. Caleb Boggs signed a bill outlawing the death penalty yesterday. It had been permitted in the state since 1638.

Water Projects Bill

WASHINGTON (P) — A 1½ billion dollar water projects authorization bill goes to President Eisenhower today for his signature or veto.

New Civilian Space Setup Gets Support

Senators Wonder What Role Of AEC Will Be In Agency

WASHINGTON (P) — Senators generally welcomed today President Eisenhower's plan for a new civilian-controlled space agency, but some wondered what part the Atomic Energy Commission might play.

The possibility that nuclear propulsion might eventually replace chemically fueled engines as the motive power in space had led to some suggestions that space projects be assigned to the AEC.

No AEC Mention Eisenhower made no direct mention of the AEC in proposing to Congress the establishment of a new National Aeronautics and Space Agency to develop "an imaginative and well-conceived space program."

"That is the explosive angle," said Sen. Mundt (R-SD), a member of the newly created Special Senate Committee on Space and Astronautics.

Place For A-Propulsion Four members of the Senate space group—senators Anderson (D-NM), Bricker (R-Ohio), Hickenlooper (R-Iowa) and Russell (D-Ga.)—also serve on the Senate House Atomic Energy Committee.

"I believe there is a place for consideration of atomic propulsion in our space program," Hickenlooper said in an interview. "I'm studying the presidential space message now."

Stock, Commodity Exchanges To Close

NEW YORK (P) — The major U.S. stock exchanges and most commodity exchanges will close tomorrow, Good Friday.

The New York and American Stock Exchanges here and Chicago's Midwestern Stock Exchange observe the holiday.

Secretary

(Continued from Page 1) responsibilities to his vice chief" in order to concentrate more on being a member of the joint chiefs of staff.

Although the Army, Navy and Air Force departments will continue as agencies within the defense department, their secretaries "will be relieved of direct responsibility for military operations." This will improve their ability, the President said, to help the defense secretary manage training and logistics functions of the defense department.

To bolster military research and development of scientific and technological resources, the President called for the defense secretary to have centralized authority over these matters.

The President proposed "the new position of director of defense research and engineering" whose salary would be equal to the military department secretaries and who would rank immediately after them but above assistant defense secretaries.

Grains Irregular

CHICAGO (P) — Grain futures prices were irregular but soybeans were steady to firm at the opening of the Board of Trade today.

Slight Stock Losses

NEW YORK (P) — The stock market took slight losses in moderate trading early today.

To Save Western Europe: Marshall Plan Had Start 10 Years Ago

WASHINGTON (P) — The President was making a big bid for the United States election victory April 18. The Communists were beaten over the document, the looked so overwhelmingly at the congressional leaders and Cabinet advisers around him and said:

"This is a momentous step in the world's quest for an enduring peace."

With these words 10 years ago today, Harry Truman launched the famous Marshall Plan.

His signature set in motion perhaps the most massive aid program the world has ever known.

Its immediate aim was to save Western Europe, still wracked by the wounds of war, from chaos and communism. It got its name from Gen. George C. Marshall, then secretary of state, who had others in critical condition following the plan in an address at Harvard University June 5, 1947, their tenant farm house yesterday.

Immediately foreign aid experts rushed the first shipments to Europe for drought-stricken Austria—to months, died later in Charles East Coast ports within six days. Town General Hospital where her Even before Paul Hoffman was mother, 30, and a sister, Evelyn, named Marshall Plan chief April 9, remained in critical condition.

Police said Zimmerman was a sextuplet to an Iranian shepherd. A fund drive is in progress in Annapolis to aid the survivors.

Woman Dies From Burns In Home Fire

BALTIMORE (P) — A 36-year-old Annapolis woman died last night from burns suffered in a fire which destroyed her home and burned to death her three oldest daughters last month.

Mrs. Edith Tucker was burned March 20 when she rushed back to her West Annapolis bungalow to rescue her 18-month-old daughter Betty Lou.

Betty Lou and her father, Norman Tucker, also were burned. The three survivors were transferred to Johns Hopkins Hospital here from Anne Arundel General in Annapolis.

The blaze, believed to have started from an overheated kerosene space heater, spread quickly through the frame house. Firemen, who found the fire out of control, pulled from the ruins the charred bodies of the three older Tucker girls—13, 4 and 3.

A fund drive is in progress in Annapolis to aid the survivors.

Second Fire Victim Dies

CHARLES TOWN, W. Va. (P) — Two members of the Ward Zimmerman family are dead and two others are in critical condition following a fire which destroyed their tenant farm house yesterday.

Killed in the fire was 36-year-old Zimmerman who had moved to the first shipment—wheat Tuesday, Janie Zimmerman, 20, East Coast ports within six days. Town General Hospital where her Even before Paul Hoffman was mother, 30, and a sister, Evelyn, named Marshall Plan chief April 9, remained in critical condition.

Police said Zimmerman was a sextuplet to an Iranian shepherd. A fund drive is in progress in Annapolis to aid the survivors.

Cashier Faces 12 Counts Of Embezzlement

FAYETTEVILLE, W.Va. (AP)—An indictment returned by a Fayette County grand jury here against the former cashier of the Bank of Mount Hope listed 12 charges of embezzlement dating back to 1939.

Named in the indictment was 57-year-old W. Garland Potter, who pleaded guilty earlier this week in U.S. District Court in Bluefield to embezzlement of \$41,500 from the bank.

Potter currently is in the Cabell County jail in Huntington, and Fayette Prosecutor J. Sane Summerfield said he would not be returned to Fayette County as long as he remains in federal custody.

Potter disappeared last August and was not reported seen again all state military staffs, and he until his arrest last month in Charleston. He told officers that he had been touring western states.

One of the charges in the indictment returned here accused Potter with embezzlement of \$32,090 from the bank last August. Here are the other amounts listed:

October, 1939, \$1,500; December, 1940, \$564.30; December, 1946, \$530.67; March, 1952, \$3,300; April, 1953, \$1,056.48; July, 1954, \$1,066.58; June, 1955, \$400; 1955, \$125; April, 1956, \$200; June, 1957, \$2,182.87; and July, 1957, \$850.

The 11 amounts aside from that for last August totaled \$12,775.90. Summerfield said those charges covered amounts found missing by an auditing firm hired by the bank after Potter disappeared.

Industry Promotion Secretary Resigns

WAYNESBURG, Pa. (AP)—Ralph Johnson resigned last night as secretary of the Greene County Industrial Development Corp. So he can work on a doctor's degree in political science.

Johnson resigned two weeks ago as executive secretary of the Greene County Branch of the Pennsylvania Economy League.

Governor Asks Guard Division Be Retained

ANNAPOLIS (AP)—Gov. McKeldin informed you with emphasis that he today informed the Secretary of the Army that he "can conceive of no acceptable action" that would eliminate from the Guard the famed Twenty-Ninth. "Indeed, I feel rather strongly that the 18 guard divisions which served in our two world wars—of which the Twenty-ninth is one—should be among the 21 combat divisions . . . to be retained. . . . For me . . . to acquiesce in the disbandment of the Twenty-Ninth would be to fly in the face of history and, in the minds of Marylanders, a betrayal of tradition," he said.

The governor noted that some other states probably feel as strongly about their own divisions, but he said "it is quite possible that there are still other states with younger divisions or with no division, where there would be little or no objection to readjustment of their Guard units."

He said this is another reason why final decisions should be delayed until after the governors' conference.

"With these reservations," McKeldin said he is willing to cooperate "in such reorganization of the military establishment as is necessary to meet the conditions of the times."

Postman Wins Award In Biting Dog Case

GREAT NECK, N. Y. (AP)—A mailman, bitten on an average of more than once a year for the past 17 years, has evened the score with the dog menace—a chance to confer. He noted that the guard matter probably will be on the agenda for the annual governors' conference in Miami Beach, Fla., May 18-21.

"I feel that I cannot enter into any agreements for Maryland's French poodle, which alone until this whole matter has been discussed by the conference-day and knocked him down. . . . McKeldin said he would be 'far' who spotted the thief and called less than frank . . . if I failed to police."

Map Lacked Something

RICHMOND, Va. (AP)—A thief, points of agreement are to be caught in a grocery store at reached in regard to the 29th Division, it must be in consultation between Governor Almond plan of the store. The thing it of Virginia and myself. . . . McKeldin said he would be 'far' who spotted the thief and called less than frank . . . if I failed to police."

Third Demo Seeks Neely Senate Seat

MONTGOMERY, W.Va. (AP)—A third Democratic primary contender for the short term U. S. Senate seat of the late M. M. Neely will be Arnold M. Vickers, 48-year-old Montgomery attorney.

Vickers announced formally his plans to oppose former Gov. William C. Marland of Charleston and former Congressman Jennings Randolph of Elkins in the primary Aug. 5.

He served as president of the State Senate in 1945 and 1947. Vickers served three terms as mayor of Montgomery and is presently city attorney for the communities of Montgomery, Smithers, East Bank and Pratt.

Vickers was elected to the House of Delegates from Fayette County in 1934, and subsequently was elected for two terms in the State Senate from the 11th District.

Rose Croix Rites Scheduled Today

Cumberland Chapter of Rose Croix will conduct a Maundy Thursday service at 6:30 p.m. today at All Ghan Shrine Country Club.

The speaker will be Rev. John R. T. Hedeman, B.D., who is described as a distinguished clergyman, humorist and former outstanding college athlete. He has been referred to as one of America's best public speakers.

Miss Marian Hamilton, soprano, will sing several solos.

Arthur B. Gibson, a 33rd degree Mason, will preside at a ceremony of the extinguishing the lights, concluding the program. Assisting him will be J. Stanley Hunter, A. Wayne Reed and Thomas E. Gilchrist, all 33rd degree Masons, and Gene N. Bourckel, A. Henry Gebauf and Lawrence H. Shafferman, all 32nd degree Masons, K.C.C.H.

About 300 members are expected to attend the ceremonies.

The relighting of the lights will be conducted at 10 a.m. Easter Sunday at the Masonic Temple.

Pittsburgh Jobless Totals Increase

PITTSBURGH (AP)—Unemployment has increased in the Pittsburgh area, the University of Pittsburgh's Bureau of Business Research reports.

The bureau said that at the end of February 104,600 persons, or 10.7 per cent of the labor force, were unemployed compared to 90,700 at the end of January.

The City of Pittsburgh, the bureau reported, topped the national percentage of unemployment by 3.7 per cent.

W. Va. Parolee Fights To Stay On West Coast

OLYMPIA, Wash. (AP)—The governor of Washington's executive assistant was told yesterday that it would be a "horrible miscarriage of justice" to send back to West Virginia an escapee from a prison camp there in 1943.

Attorneys for 49-year-old Howard W. Cook asked Gov. Albert D. Rosellini, through executive assistant Warren Bishop, to turn down a request by West Virginia authorities for Cook's return.

The former prisoner was sentenced to 30 years on a 1931 West Virginia conviction for a \$5,000 bank robbery. He was paroled after 10 years of his term.

After his parole, he went to Oregon. Then, on his return to West Virginia in 1941 to answer a summons from his draft board, Cook was jailed again as a parole violator.

Cook's attorneys, who noted that the man has been working as a logger in Northern Idaho, Washington and Oregon since his escape, contended that he has established an excellent reputation as a law-abiding man.

West Virginia Gov. Cecil Underwood has asked Rosellini to extradite Cook. Counsel for Cook also said, however, that Underwood had not replied to a petition bearing the names of 179 persons and asking a pardon for the man.

Wall Street Hears...

NEW YORK (INS) — Wall Street Hears:

After seven days of decline, there has to be at least a technical recovery in the works, it says here.

Favorite bear target on expected poor first-quarter earnings—the chemicals.

Union Pacific is advanced as an attractive 6 per cent yield, plus long-term potential by Paine, Webber's Arthur W. Bullock. He points out that the drop in net railway operating income in the first two months was held to 1 per cent despite an 8 per cent fall in operating revenues.

American Tobacco net in first two months this year "substantially" above corresponding 1957 period.

Chrysler stepping up output of the six-cylinder economy cars in face of increased demand for the low-priced models.

Parke-Davis contemplating major expansion overseas activity cent. whose term runs until 1962; in Colombia, Puerto Rico, Germany, India, Argentina and Brazil.

Market comment — Arthur Bullock of Paine, Webber, Jackson & Goodloe Jackson, this city, whose term runs until 1959.

"With the time fast approaching when first quarter reports will begin appearing in volume it would seem the market may well be put to a severe test, with a reaction to last year's lows probably a minimum expectation."

Miller Appointed To School Board

Joseph M. Miller, 420 Fayette Street, has been appointed to the Allegany County Board of Education by Gov. Theodore R. McKeldin.

A commission naming Miller to a five-year term starting the first Monday in May 1958 (he received) this week at the office of Joseph E. Boden, clerk of the Allegany County Circuit Court.

Other members are Kenneth R. Malcolm, Westernport, president; Albert C. Cook, Frostburg, Maryland; and Mrs. L. Brooks Starcher, this city, whose term ends next year.

term ends next year, and J. lock of Paine, Webber, Jackson & Goodloe Jackson, this city, whose term runs until 1959.

Election Planned By LaVale Group

The LaVale Civic Improvement Association will hold its annual election Monday at 7:30 p. m. at the LaVale Fire Hall.

The association will elect five new members to serve on the 18-member board of directors. Those who are elected at Monday's meeting will serve three-year terms.

Following the election, the board will meet and name officers of the association for the coming year.

A spokesman for the association has urged all residents of LaVale, which is composed of

News In Brief From Business World

NEW YORK (INS) — The First National City Bank of New York announced today that net operating earnings of the bank and the affiliated City Bank Farmers Trust Co. in the first quarter this year amounted to \$14,865,000, or \$1.24 per common share, as against \$14,090,000, or \$1.17 per share, a year earlier. Total re-

Net income totaled \$8,132,000, or \$4.95 per common share, as against \$2,297,000, or \$2.53, in 1956. Sales of \$96,898,000 were more than three times the volume in the previous year. President A. M. Sonnabend said sales currently are running at a \$100,000,000-a-year pace.

NEW YORK (INS) — The Dun & Bradstreet Credit Clearing House reported today that 431 retailers of apparel and accessories, dry goods and general merchandise failed in the first three months of 1958, an 11 per cent increase over last year. Their liabilities of \$15,300,000 were 58 per cent above those of the same period last year.

PASSAIC, N. J. (INS) — Sales and earnings of Botany Mills this year, membership is expected to reach 250,000.

Boy Scouts Expand

OTTAWA (INS) — The Canadian Boy Scout Assn. reports its membership has increased 129 per cent since 1948. By the end of this year, membership is expected to reach 250,000.

West Virginia Water Commission Gives Buckhannon Until July 1 To Correct Its Sewage Problem

CHARLESTON — The State Water Commission has given the city of Buckhannon until July 1 to show its intent to end pollution of the Buckhannon River.

Buckhannon was cited last Oct. 13 by the commission and had been given until April 10 to provide evidence of correcting its sewage problem.

Representatives of the city reported at a commission meeting yesterday that citizens groups have been set up to work toward construction of a disposal and treatment system and that a sanitary district was being promoted.

However, the commission's members indicated they were not satisfied with the city's progress.

but granted the extension to July 1. Other developments of the meeting here included:

Acceptance of Huntington's progress report involving that city's expansive sewerage system already under construction and suggestion by the commission to representatives of Nitro that the Kanawha River community speed up its preparations toward waste control.

Representatives of Clarksburg told the commission that construction work on their city's sewerage disposal system would begin sometime after the middle of September.

City Manager Orville Over and

C. Donald Robertson, attorney for the sanitary board, gave a timetable which called for selecting a fiscal agent within two weeks, completion of construction plans by July 1, reception of construction bids in August and the issuance of bonds during the first weeks of September.

The water agency accepted the Clarksburg report.

Without proper equipment, a white man might die in six hours in the Australian deserts where the dry heat reaches 140 degrees Fahrenheit. Yet aborigine savages can travel in the same area for several days without water.

Issued Permit

Mrs. Dessie M. Estes was granted a permit yesterday by the City Engineer's office for the construction of a one-story dwelling at 1317 Elder Street. Cost of the block and brick veneer home was estimated at \$7,000.

The dormouse, the tiny animal at the Alice-in-Wonderland tea party, still exists in real life. Hibernating in winter, the dormouse sleeps as much as six months at a time, waking now and then to eat a bit of stored food.

Sauce In Half Lemon

Save lemon halves after the juice has been squeezed out, notch the edges and use as pretty containers for tartar sauce to go with fish.

Chilled Dessert Needs No Cooking

How to make a sparkle dessert in nothing flat:
Empty a can of apple slices into your prettiest dessert dish. Now melt 1 cup currant jelly and add 1/2 teaspoon vanilla extract.
Spoon over the canned apple slices, and let stand in the refrigerator to chill and thicken. Serve with cream whipped if you prefer.

Predicted For Easter:
America's Favorite Ham

By MARTHA LOGAN

In most homes, Easter is a family day. It is a time when folks gather to share in the excitement of the youngsters' egg hunt, the experience of worship, and the joy of a family meal together. Knowing the significance of this day for all involved, the homemaker gives special attention to menu planning. For the meal that will hold the place of honor, chances are she will choose America's favorite, ham.

Since Mother will want to be on hand for the family's Easter-day activities, a fully-cooked ham will be a convenient choice. When buying the ham, the number of people to be served will determine the amount. In general, allow 1/4 pound per serving of boneless ham, and 1/2 pound per serving of bone-in. Remember to allow plenty for seconds and post-Easter encore meals.

The best guide to quality when buying is always a well-known brand name.

Both the "fully cooked" and "cook before eating" ham can be purchased in a variety of

styles. These include the round, boneless ham (so easy on the carver); the familiar short shank ham and the lean-trimmed skinless ham. Brown sugar and smoked over hardwood fires for delicious flavor, these hams are oven ready and do not require pre-smoking or par-boiling.

Ham that is fully-cooked when purchased can be served just "as is," but for your Easter feast, you may prefer it heated and served with an attractive glaze. The ham should be heated until the internal temperature registers 130°F. on a roast meat thermometer. If the "cook before eating" ham is your choice, it should be heated to an internal temperature of 160°F. to bring out the best in flavor and texture.

To Heat A Fully Cooked Ham
Place ham on a rack in an open pan. Heat in a slow oven (325°F.) according to the heating schedule. If a roast meat thermometer is used, heat to 130°F. internal temperature. Remove all skin. Serve.

If desired, the ham may be glazed. Remove ham from oven one half hour before time indicated on schedule. Pour off drippings. Remove all skin. Score ham, cover with brown sugar and return to oven to brown glaze and complete baking. Stud with cloves just before serving.

| Weight of Ham | Approximate Heating Time |
|-----------------|--------------------------|
| 6 pound piece | 2-4 hours |
| 8 to 10 pounds | 2-4 to 2-1/2 hrs. |
| 10 to 12 pounds | 2-1/2 to 3 hrs. |
| 12 to 15 pounds | 3 to 3-1/2 hrs. |
| 15 to 18 pounds | 3-1/2 to 4 hrs. |

YOU SHOULD KNOW
THIS about Baking

It's the balance of ingredients in baking powder that governs its leavening action. Only when these are scientifically balanced can you be sure of uniform action in the mixing bowl plus that final, balanced rise to light and fluffy texture in the oven.

Balanced Double Action means Better Baking!

Recipe For
Scalloped
Potatoes

Who hasn't been out to dinner and observed that scalloped potatoes are a wonderful dish to put before guests?

The hostess may be amazed by the compliments her male diners lavish on this dish by eating second helpings. You may be sure the respective spouses make note of these repeated requests for more potatoes!

Perhaps most of us stick too easily to the conventional boiled, baked, mashed and fried variety to please the man with a yen for adventuresome eating.

It's not a long job with this recipe. You'll want fresh milk and a slow oven (275 degrees). The first step is to parboil six potatoes for fifteen minutes. Peel and slice 'em while they are hot.

Place a layer of potato slices in a greased casserole. Salt, pepper and be liberal with the butter. Pour over the whole one-fourth cup of milk.

Repeat layers until all the potatoes are used.

On the top layer, spread cracker crumbs which have been soaked in melted butter. Bake for 15 minutes.

Be sure to pour the milk over each layer at a time. Served with ham, you couldn't live better!

18 to 22 pounds 4 to 4-1/2 hrs.
Zippy Ham and Baked Bean Casserole
Yield: 6 servings
6 thin slices cooked ham
2 cans (14 ounces each) baked beans with pork
2 tablespoons brown sugar
1/2 teaspoon ground cloves
1/2 teaspoon celery seed
1 cup (9 oz. can) crushed pineapple
1/2 teaspoon onion salt
2 teaspoons Worcestershire sauce
Mix together all ingredients in an 8-inch square baking pan. Bake in a moderate oven (350°F.) about 30 minutes. Serve hot.

New discovery gives
sweeter, fresher
taste to margarine

Secret recipe provides for superior flavor—no price increase

It's true. An exclusive recipe discovery gives the new Mrs. Filbert's Margarine a flavor never before possible... the real true taste you look for in the most expensive spreads. You'll realize you can't buy a finer spread, no matter what you pay. The Filbert family guarantees you'll be pleased, or double your money back.

Cream With Nutmeg

Serve a fat pitcher of heavy cream flavored with a pinch of nutmeg to pour over fruit cobblers and shortcakes.

Milk At Scald Stage

Milk has reached the scald stage when little bubbles appear around the edge of the milk surface.

For Safety

For safety and fluffiness, stuffings for poultry or meat should be mixed just before roasting time.

**Apples, Pickles
In Meat Relish**

Canned apple sauce mixed thick with chopped sweet pickles emerges as a relish that adds dash to any hot roasted or broiled meat... and to cold cuts, too.

**The Cumberland
Coca-Cola Bottling
Works, Inc.**

308 Greene St. PA 2-0750

**Celery Stuffed
With Peanuts**

As an accompaniment to cocktails, or an after-school snack with fruit juice serve this stuffed celery. It's nourishing and tasty.

Combine a 3-ounce package cream cheese with 2 teaspoons finely chopped onion, 1/2 teaspoon curry powder, 1/2 tablespoons heavy cream and 1/2 cup chopped peanuts. Cut 9 ribs of celery into 4-inch lengths. Fill with peanut mixture. Scatter chopped peanuts over top as a garnish.

Bacon Slices

Keep bacon slices from tearing by separating them with a rubber spatula.

**Turkey Replacing Ham
As No. 1 Easter Meat**

By The Associated Press

Turkeys are forcing the traditional Easter ham to share top billing on the holiday menu.

Supermarkets and neighborhood groceries are offering the bird to a seasonal high this summer before dropping sharply in the fall. Turkeys are plentiful with record storage crops pulling supplies up to last year's 80 million gobblers.

Shrimp Also Featured

Some stores are offering higher priced cuts such as rib roast of beef and sirloin or porterhouse steaks for the holiday. Shrimp also is a frequent "special" in seafood areas. Chuck roast and hamburger are missing for the week.

Butter is down 1 to 6 cents a pound in some areas and egg prices are down 2 to 10 cents a dozen over a wide area.

Best buys among vegetables are carrots, topped beets, turnips, peas and storage potatoes in areas where they're readily available. Tender new potatoes, which normally are available for Easter and Passover dinners, are slow to come to market in any great number this year. You can blame cold and wet growing weather in Southern potato fields.

Produce men rate collards, spinach, cabbage, endive, escarole, mushrooms, iceberg lettuce and broccoli as good to fairly good buys. Asparagus is in the same category, but reportedly shows a wide range of quality and condition. That's because heavy rains in the California growing areas are damaging and delaying the crop.

Celery Sharply Higher
Celery, on the bargain list recently, is sharply higher this week. It's called a moderate buy, along with cucumbers, peppers, tomatoes, onions and beans. Onions are expected to get cheaper in three or four weeks when the delayed Texas crop starts coming to market in heavy supply.

Apples, enjoying a banner year in view of less than usual citrus competition, remain just about the best bet in the fruit department. California navel oranges are reported sharply higher and Florida citrus is tapering off from a light supply.

Spanish Lamb Stew With Rice
Ingredients: 1 pound lamb shoulder (in one piece and bone in), 2 teaspoons kitchen bouquet, 2 tablespoons butter or margarine, 2 teaspoons salt, 1/2 teaspoon pepper, 1/2 teaspoon dry mustard, 4 cups water, 1 cup thinly sliced onion, 1 large green pepper (sliced), 1/2 cup tomato paste, 2 teaspoons sugar, 1 cup thinly sliced raw carrot, 1 cup converted-type rice, 1 egg, 1 teaspoon olive oil, 1/2 teaspoon wine vinegar.

Method: Brush lamb with kitchen bouquet. Melt butter in Dutch oven over moderate heat. Add lamb and brown on all sides. Place rack under meat. Mix salt, pepper and mustard; sprinkle over meat. Add water; cover tightly and cook slowly until lamb is barely tender—about 1 hour. Cool lamb slightly; remove meat from bone, cut meat in 1-inch cubes. Return meat to liquid in pan. Add onion, green pepper, tomato paste, sugar, carrot and Rice, stir well. Cover and cook over moderate heat until rice is done, about 20 minutes. Just before serving beat egg enough to combine yolk and white, then blend with olive oil and vinegar. Stir into lamb and rice mixture. Do not cook after adding egg. Makes 4 to 6 servings.

Serve your young people orange juice when they want a mid-morning or mid-afternoon cool drink. Recent studies show that both boys and girls of 13 and 14 years were deficient in Vitamin C—the vitamin that citrus fruits furnish in abundance.

**Beef Stroganoff
Can Be Economic**

Economical round steak makes a richly delicious beef Stroganoff.

Have bottom round cut in thin strips; sprinkle meat tenderizer evenly on both sides and let sit at room temperature about 20 minutes, then use in your favorite beef Stroganoff recipe.

Dazzle your guests by cooking the Stroganoff right at the table in an electric skillet.

Serve the beef over beds of white rice with a tossed salad and a very haute cuisine dessert of pears in port wine.

**Cocktail Sundaes
Make Fancy Dessert**

Treat your family to fruit cocktail sundaes for a real fancy fruit dessert.

Place a scoop of fruit sherbet in a dish and spoon canned fruit cocktail over the top. Add a sprinkling of chopped nuts if you like.

Tips On Making Up Easter Baskets

Children love to receive Easter baskets. Simple planning can make this cherished tradition lots more fun without being expensive. Here are a few helpful suggestions:

You can make a basket from any small cardboard box. Cover the outside with crepe paper. Ruffled at the top. The basket handle can be made with a strip of thin cardboard also covered with crepe paper. Let the children help you. The whole family can have fun together making baskets for the Easter Bunny to get something suitable for each individual child.

**Chicken, Turkey
Dish Is Quickie**

Arrange cooked and seasoned fresh broccoli in individual ramekins or casseroles over which place slices of cooked turkey or chicken.

Top with cream of mushroom soup diluted with milk or light cream. Sprinkle buttered bread crumbs over all and bake in a preheated moderate oven (375 degrees Fahrenheit) until crumbs brown.

**Bread 'n Butter idea you'll love
with Land O'Lake's Sweet Cream Butter****MAKE CRISPY-LIGHT WAFFLES** with bread 'n butter—no batter!

Butter 10 slices of bread on both sides. Add 1/4 cup milk, dash salt, to one slightly beaten egg and blend. Dip bread, drain and bake in moderately hot waffle iron 5 minutes. Lavish on Land O'Lakes Butter. Add Log Cabin Syrup. Enjoy!

VITAL INGREDIENT Land O'Lakes Butter is made only from sweet cream, nothing but sweet cream, a full 1/2 gallon to every single pound. Ask for it by name—it's the vital ingredient!

Attorney Presents Opinion On Teacher Pension Plan

Gorman E. Getty, attorney to by their charter. They are given the Allegany County Board of only special and limited jurisdiction. Commissioners, yesterday put in motion, he said, to writing a verbal opinion he had. The attorney stated that Sec. 525 of the Code of Public Local Laws for Allegheny County gives the county supplementary pension to teachers retiring at present get county who retire after July 1, 1958, a month to retired school. Back on February 4, 1958, however, these pensioners William A. Wilson and Charles N. Wilkinson took a year to compensate for the action yesterday to rescind their annuity deficiency in the State February 4 resolution. It is Teachers' Retirement System, understood that Thomas B. Commissioner, James Orr, op. Finan, as attorney for the County posed the resolution. Teachers' Association, will dis-

Getty pointed out in his cuss the pension matter with the statement that county commis- county commissioners next Tues- sioners in Maryland have limited day. It may be that an opinion authority and may perform acts will be requested from Attorney expressly or impliedly permitted General C. Ferdinand Sybert.

LEONA M. PHILLIPS
County Agent Secretary To Receive Honor

Miss Leona M. Phillips, Eckhart, secretary for the County Farm Agent, was presented an award today at College Park for 35 years service in the State Classified Employees Service. Miss Phillips will receive a pin and certificate for her many years of service. During years of service, Miss Phillips has worked for only two county agents. From May 1922 until May 1954, she worked for County Agent Ralph F. McHenry, who retired four years ago. She has worked for Mr. Steger since then. Her service has been most apparent each August during the Cumberland Fair. She has been superintendent of a number of departments at the fair and generally is in charge of the distribution of premium money each August. Assistant County Agent James E. Arnold is attending the ceremony.

Model Legislature Given Briefing

Members of the YMCA Youth and Government Model Legislature attended a conference in Baltimore yesterday. Eight officers of the legislature attended from Allegany County along with Hi-Y Council advisor, B. U. Smith. Smith, general secretary of Central YMCA in Cumberland, accompanied Boy Governor William Sitter, who is a student at Allegany High School; Carole Ransom, Allegany, speaker of the House; Emily Tucker, Allegany, chaplain of the Senate; Dorothea Harper, Fort Hill, assistant clerk of the Senate; Ronald Broadwater, Bruce, assistant clerk of the House; and two members of Sitter's cabinet, Gordon Stevenson, Valley High, commissioner of highways; and David Rowley, Fort Hill, commissioner of education.

Marriage Licenses

Group Begins Advance Class In First Aid

Thirty-eight Civil Defense volunteers have completed their Red Cross standard first aid training and have started on the advanced course, according to Robert Thwaites Jr. The classes are being conducted in the conference rooms at the Cumberland Savings Bank, Virginia Avenue. Thwaites said 49 persons started the course but due to illness or other reasons, several had to drop it. A total of 32, however, completed the course and have been presented certificates. The group includes Harry Irvin Alexander, 215 East Oldtown Road; Helen Marie Allen, 426 Chestnut Street; Bruce McDonald Anderson and Evelyn Leona Anderson, 924 Atlantic Avenue, LaVale; Jean Almale Baker, 717 Hill Top Drive; Mildred Jacqueline Bartik, 720 Hill Top Drive; Ann Elizabeth Broadwater, 754 Maryland Avenue. Alice Mae Cropp, 725 Hill Top Drive; Charlene May Cutright, Potomac Park; Jeanne Marie Dauphin, 710 Louisiana Avenue; Willow Grace Dickinson, 800 National Highway; Anna Marie Dressman, LaVale; Clare Elizabeth Dressman, 552 A Street, LaVale. Frances Therese George, 112 Wilmont Avenue; Delores Glenrose Harden, RFD 3, Frostburg; Elizabeth M. Calvary Church Sets Easter Sing

Calvary Evangelical United Brethren Church, 39 Mary Street, will hold a hymn sing on Easter Sunday at 8:30 p. m. Rev. Raymond Campbell, pastor, announces that the public is invited.

You can buy two classes of tickets in Mexico bullfights, either sol or sombra. In other words, either in the sun or in the shade. Seven out of 10 U. S. homes receiving a newspaper have it carried-delivered. This means newspapers have a constant — not shifting — audience. Two heights popular with sight-seers overlook Rio de Janeiro. One is the monolithic Sugar Loaf, and the other is Corcovado, whose name means "Hunchback." There's no "off-season" in newspaper reading. The newspaper habit is constant through the year.

D'Alesandro Wants Ike To Fire Dulles

Asserts Secretary Must Go To Save American Prestige

BALTIMORE (AP)—Mayor Thomas D'Alesandro, Democratic candidate for the U. S. Senate nomination, today called on President Eisenhower to fire Secretary of State Dulles.

D'Alesandro in a statement said Dulles "has lost the confidence of our allies, of the Congress and of the American people. He must go before he drives American prestige into the depths."

"I call upon the President . . . to appoint as secretary of state a man who has shown himself aware of the tremendous impact of the recent Soviet propaganda victories."

Suggests No Successor

The mayor did not mention any names as possible successors to Dulles.

"The cynical response of . . . Dulles to the Russian announcement of unilateral suspension of nuclear tests has clearly demonstrated that the Republican administration has no conception of the impact of the latest Russian propaganda victory," he said.

Clarence Long, another Democratic candidate for the senate, also had something to say about this country's foreign policy.

In a statement yesterday, Long said that elder statesmen have a better chance of unraveling the knots of international problems than government diplomats. He said the cold war tension prevents officials from speaking freely for fear of embarrassing their governments.

"Respected thinkers free from any ties could discuss and seek solutions for such problems as armaments more effectively," said the Johns Hopkins professor.

Would Meet Challenge

Long said his proposal for a conference of elder statesmen would meet the Russian propaganda challenge of halting nuclear bomb tests.

Another Democratic Senate candidate, George P. Mahoney, turned again to the issue of the federal housing program. He said he was glad Congress and President Eisenhower agreed with him on the emergency housing bill to fight the recession.

The Baltimore County contractor called the President's signing of the \$1,350,000,000 measure "a real move against the recession."

"I suggested legislation which would have provided for a program about five times as large," he said, "but the new law is certainly a step in the right direction."

Mahoney made the comment in a press release from his Baltimore headquarters. Meanwhile, he was campaigning in Harford County.

Director Named

In other campaign activity, the so-called "harmony" slate headed by J. Millard Tawes for governor, announced appointment of Julian Stein as publicity director.

Meanwhile, Hyman Pressman said he had gotten assurance from an elections official in Baltimore that his group would look into a charge of "ghost" registrations.

Pressman, an attorney, said Charles A. Dorsey, president of the Board of Election Supervisors, assured him the alleged 362 erroneous registrations would be discussed at Monday's board meeting.

Pressman contends large numbers of voters are in the election files containing addresses where slum clearance projects have swept the blocks of houses. The election board said earlier it could not make the survey demanded in time for the May 20 primaries.

EASTER SEAL LUCKYBUCKS NEEDED NOW

The total of lucky bucks received by the Allegany County League for Crippled Children has gone up 275 since yesterday to bring today's Easter Seal Sale to the \$6,710 mark.

More returns are needed from the 16,290 Allegany County residents who received the Easter Seals in the mail, but have not submitted their dollars.

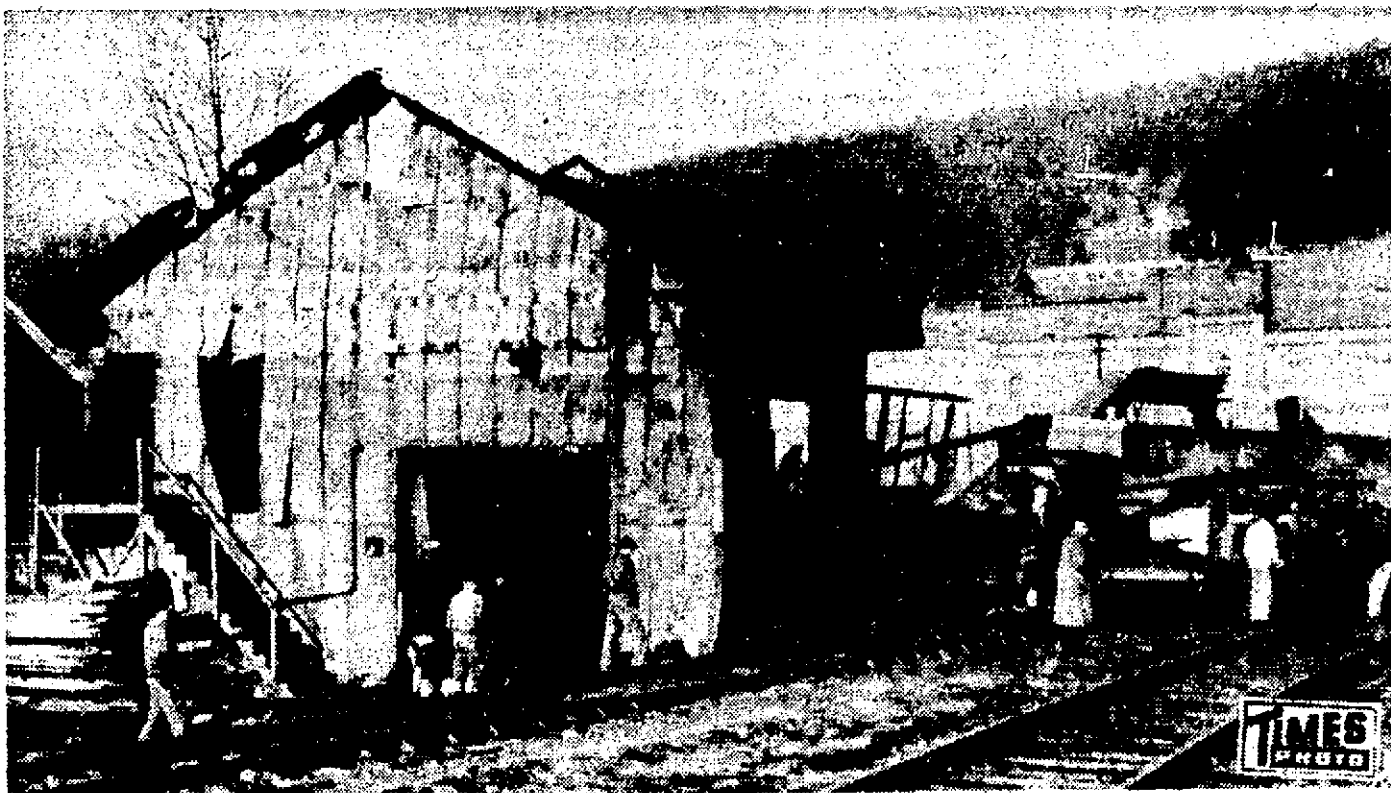

Over 23,000 residents received seals in the mail and the dollar from each of these goes toward financing the treatment of the crippled and handicapped children of this section.

League officials hope at least \$12,000 will be received in the Easter Seal campaign. Send in your dollar now if you haven't done so.

Another Spring Day Delights Residents

This locality was treated to another brisk, beautiful spring day today but the weatherman says there is a chance of a few showers tomorrow.

It is to be mostly fair and cool tonight with the low between 34 and 40 degrees. Tomorrow is to see some cloudiness in Allegany and Garrett counties, along with mild temperatures and a chance of a few showers.

GUTTED BUILDING—Firemen and interested observers are shown inspecting the storage shed and garage of the Buchanan Lumber Company that was destroyed in a spectacular fire late last night. Engines from the four city stations and Ridgeley were called out to fight the fire. Other buildings of the lumber

company and houses in the 600-block of North Centre Street were threatened by the intense heat and flaming embers. Onlookers and cars lined Henderson Boulevard at the height of the firefighting, the glare of which could be seen in all sections of the city.

Beall Makes Comment On Savings Unit

Maryland Only State Which Does Not Regulate Such Groups

BALTIMORE (AP)—Sen. Beall (R-Md.) said today he understood accounts of the Family Savings and Loan Assn. are backed by an insuring company operated by the two officers of the association.

"The Family Savings and Loan Assn. advertises that it is a member of the American Council of Independent Savings and Loan Assns.," Beall said in a statement.

"It is reported to us that this council is one John Gregory Persiani and . . . Sherman S. Cohen, the selfsame two who operate the Family Savings and Loan Assn."

"They advertise that savings accounts are insured by the American Savings and Loan Indemnity Co., and it is reported that this insuring company also is operated by the selfsame two men."

No Federal Backing

"Most savings in savings associations are insured by an agency of the federal government," Beall added, "but this is not so with the Family association. Who or what insures the Family accounts? Insurance is of course only as good as the insuring company."

Meanwhile, the Cumberland Times received a telegram labeled "an open letter to Sen. Beall" and signed by John Gregory Persiani, president of the Family Savings and Loan Assn.

The "open letter" suggested that "certain of our competitors who have openly threatened a ruthless and relentless attack against our growth must have misled you with their misrepresentations."

"Surely if you yourself have the opportunity to make a true investigation, you would have discovered the facts to be other than they have been stated to you. Are there . . . officials of the U. S. Savings and Loan League, with whom you are closely associated, who oppose the growth of independent savings and loan associations?"

"During the last 12 years of the share of the industry's assets entrusted to America's independent associations has dwindled to less than nine per cent."

Quotes League Report

Beall's statement quoted a report he said he received from the U. S. Savings and Loan League which said in part:

"The American Indemnity Co., now called the American Savings and Loan Indemnity Co., lists on its letterhead an address in Panama . . . Additional offices also are listed in London and Toronto."

"The Toronto Better Business Bureau reports that 'we are unable to locate any such company in Toronto.'"

Beall said the Maryland Insurance Department, a state agency, reported to him last Oct. 8 that "We have had no many inquiries about the American Indemnity Co. of the Republic of Panama that we did try to find out whether or not this was a legitimately organized insurance company, but to date we have been unable to learn anything about the financial condition or corporate status of the alleged insurer. One of the prominent credit reporting firms has advised us that they have been unable to obtain any information about this subject."

No State Regulation

Maryland is the only state in the nation which does not regulate the operations of savings and loan associations, a state official reported.

John D. Hospelhorn, deputy state bank commissioner, said yesterday about 400 savings and loan associations are now in business in Maryland. He gave no estimate of the dollar volume of the business.

Hospelhorn's statement followed a request by Sen. Beall (R-Md.) for a congressional investigation of the Family Savings and Loan Assn., which has offices in Baltimore, Silver Spring, Suitland, Hagerstown, Cumberland, Elkhart and Frederick.

Beall said the proposed investigation by the Senate Committee on Banking and Currency, (Continued on Page 14)

Negotiating Unit Presents Report To Membership

A general membership meeting of Local 1874, United Textile Workers Union, was held last night, at which the local's negotiating committee submitted a report on the progress of the contract meetings being held with the Celanese Corporation of America.

The negotiating committee will meet with company representatives at 10 a. m. Monday and present its final report on negotiations to the union membership at meetings Monday at 7:30 p. m. and Tuesday at 10 a. m.

Union spokesmen said the membership will be asked to take definite action at the two meetings, either to approve an agreement or to take a strike vote in the event the agreement is not satisfactory.

The Celanese Corporation of America today announced the creation of two new positions in the Personnel Administration Department of the firm.

Spokesman said Robert V. Butts has been named salary administration manager, and Clifford C. Whitney, employment development manager.

Butts joined the Celanese in 1948 as a member of the personnel department of the company's Rock Hill, S. C., textile plant. Last April he was transferred to New York as a staff assistant in personnel administration.

Born at New Bern, N. C., Butts is a 1946 graduate of Erskine College, where he received a bachelor's degree in social science. He also holds a BBA degree from Emory University. Butts served in the Army from 1943 to 1945.

Whitney joined the Celanese as personnel manager of the company's Pampa, Texas, chemical plant, a position he held until his new appointment. Born at Fort Leavenworth, Kan., he is a graduate of Texas A&M College, with a bachelor's degree in civil engineering.

After serving four years in the Army, Whitney returned to Texas A&M and received a bachelor's degree in industrial engineering. Prior to joining the Celanese, he was employed as a safety engineer with the Texas Employers Insurance Association.

Flames Through Roof

Shortly after the arrival of firemen from Central Station, the first company on the scene, the flames shot high into the air, going through the roof of the story and half structure.

The block on Henderson Avenue, between Franklin and Pearl streets, furnished a "grandstand view" of the conflagration.

City Police, who directed traffic and re-routed vehicles on North Centre Street over Henderson Avenue, estimated between 1,500 and 2,000 persons watched the late night fire.

Several hundred of the more curious, seeking a close-up look, scrambled onto the Baltimore and Ohio Railroad tracks, and were driven back by the intense heat from the blaze.

Flames leaped across the building Cumberland's tire tracks and caught a utility pole carrying a high tension wire. Chief Parker said the heat from the fire was so great that the "hot" wires which run parallel with the tracks, in the flames from long range.

Buildings Endangered

Firemen concentrated their efforts on protecting nearby buildings after the flames shot through the composition roof of the building.

The bottling house of the Cumberland Brewing Company, a masonry structure, appeared in no serious danger, but several other buildings owned by the lumber firm were endangered by flying sparks.

Firemen from Central Station and East Side kept hoses trained on the buildings from hydrants on North Centre and North Mechanic streets, while West Side and South End firemen pumped from hydrants on Franklin and Pearl streets.

Flames lighted the sky as the fire opened a hole in the roof, and traffic jammed badly on North Centre Street as crowds drove to the scene.

The brewing company moved a number of its trucks from the area to make room for the five fire engines which responded. Despite the heat and falling flames, firemen battled the blaze without an injury.

Chief Parker said the heat from the fire was so great that the "hot" wires which run parallel with the tracks, in the flames from long range.

Yet, with all the marks of abuse and injury, there was about the son of the late Michael and Ann Him a formidable strength. He (Footen) McGreevy. He had lived how, still relentlessly determined in his walk to doom. Simon felt a surge of admiration.

The crowd had thickened, but when the big man from Africa stepped forward a bit, the others edged aside, opening a path. He had not intended to move closer, but the action came involuntarily.

Lumber Company Blaze Damages Over \$50,000

City firemen this morning launched an investigation in the five-alarm blaze late last night which caused more than \$50,000 damage to the Buchanan Lumber Company, off the 600 block of North Centre Street.

Officials of the company this morning said it would be impossible to immediately estimate the exact extent of the damage.

The building, owned by the Western Maryland Railway Company, housed newly finished doors, windows, plywood, plaster board, moldings and other expensive lumber.

A spokesman for the firm said the building had recently been heavily stocked for the coming summer building season. The spokesman said the building will have to be replaced with a new structure.

Fire Chief Virgil Parker, who directed Cumberland's five companies, said the blaze started in the northwest corner of the structure. The origin of the blaze is caused from the gasoline tanks still unknown and an investigation is underway, Chief Parker said.

The fire was reported at 11:02 p. m., and fire fighters from Central, West Side, East Side, South End and Ridgeley responded. Chief Parker said he received huge pile of smoldering embers.

The chief said the fire was smoldering for some time before it burst into a mass of flames.

Firemen concentrated their efforts on protecting nearby buildings after the flames shot through the composition roof of the building.

The bottling house of the Cumberland Brewing Company, a masonry structure, appeared in no serious danger, but several other buildings owned by the lumber firm were endangered by flying sparks.

Firemen from Central Station and East Side kept hoses trained on the buildings from hydrants on North Centre and North Mechanic streets, while West Side and South End firemen pumped from hydrants on Franklin and Pearl streets.

Former Area Man Accused In Robbery

Joseph V. Shrout Held In Attempt To Rob Gore, Va., Bank

Joseph Vance Shrout, 33, formerly of nearby Paw Paw, W. Va., was being held in the Rockingham (Va.) County Jail today on a charge he tried to rob the Western Frederick Bank at Gore, Va., yesterday morning.

Shrout, who is presently residing in Baltimore, is a native of Petersburg, W. Va.

Shrout pleaded innocent before U.S. Commissioner Charles A. Nelson in Harrisonburg, Va., last night. Bond was set at \$25,000.

Shrout received a wound in his left forearm during an exchange of gunfire with a Gore storekeeper after the holdup attempt yesterday. The storekeeper, Leroy Baker, was shot in the shoulder.

FBI and local officers arrested Shrout yesterday afternoon about 10 miles west of Gore just across the West Virginia line. The car which police said he had used in his getaway had been stopped by a plane used in the manhunt.

Seeking Gun

John A. Roche, special agent in charge of the Richmond FBI office, said Shrout was not armed and offered no resistance. Officers took him to Winchester Memorial Hospital for treatment of his wound, then to Gore where Roche said witnesses identified him as the man who tried to rob the bank.

The gun Shrout allegedly used was not found. Officers used a magnetic detector along the Cacapon River in an attempt to find it.

Roche said Shrout's last known address was Baltimore and he claimed residence in both Baltimore and Paw Paw, W. Va.

Authorities credited alert bank employees with thwarting the robbery. They said bank workers had noticed a man sitting in a new car outside the bank as early as 8:20 a.m.

Wanted Loan

When the bank opened at 9 a.m., the man entered and asked to see the manager. A woman employee, Mrs. Peggy Sue LaFollette, was sent to Baker's store next door to tell him of their suspicions.

Cashier J. W. Ward asked the man what he wanted, and was told he wanted to make a loan.

"We are not processing any loans this early in the morning," Ward replied as he walked from the bank lobby into the street.

Ward said the man then raised a briefcase slowly and fired at him when he tried to duck around the corner of the bank.

Baker, who had come to the porch of his store, fired twice at the robber. The gunman returned the fire, and a bullet struck Baker in the shoulder.

A Louisiana license plate on the getaway car had been stolen the previous night from a car owned by Miss Barbara Rathe of New Orleans, secretary in Washington to Rep. Boggs (D-La.).

HELD IN BANK SHOOTING—Joseph Vance Shrout (right) of Paw Paw, W. Va., and Baltimore, is led by an unidentified FBI man to arraignment before a U.S. Commissioner in Harrisonburg last night. Shrout pleaded not guilty to a charge of attempted armed robbery of the Western Frederick Bank at Gore, Va., earlier in the day. The gunman was apprehended about 10 miles from the scene across the state line in West Virginia. (AP Photofax)

Solvency Of RC Blood Bank Important To County People

The visit of the mobile unit from the Johnstown (Pa.) Regional Red Cross Blood Center here Monday is being sponsored by the Newcomers Club, and Mrs. Lawrence K. Brady, retiring president, today said, "The Red Cross blood bank must remain solvent."

Pointing out that Allegany countians use almost as much blood as they contribute in a year's time, she said that the blood bank is always operating on a slim margin.

The Newcomers, representing 118 families that have moved here in the last year or two, appreciate the blood bank because they have experienced the disadvantages of a blood shortage in other areas, the president said.

Open To All

"The Allegany County Red Cross blood bank is open to everyone," she continued, "and of high school education or its withdrawal can even be made equivalent. The minimum height by those who haven't made a deposit. But that's not true everywhere."

In many cities, she explained, there are family blood banks maintained by hospitals in which members of families must make regular deposits to their accounts—or there will be no blood available to them if the need arises.

In other places, Mrs. Brady continued, there is no blood available except that which comes from professional donors. Many college boys help to work their way through school by selling blood at high prices. Blood then comes at a premium, costing the victim who needs it anywhere from \$25 to \$60 a pint. The national average is \$30.

It is not uncommon, where there is no blood bank, Mrs. Brady said, for patients to provide their own blood donors, or at least recruit donors to replace the blood.

"So the Allegany County blood bank is one of the area's greatest assets," she concluded. "The blood is given freely to rich and poor, regardless of race, color or creed."

60 Pints Used

One local resident received 60 pints of blood during a prolonged illness, she noted, which meant that 60 of his neighbors had made deposits for him—in advance—even though they didn't know him. "That," she said, "is people helping people."

During emergencies when there is no blood of a certain type available locally, she said, it must be rushed here, often in the middle of the night, from the Johnstown Blood Center by members of the Allegany County Red Cross Motor Corps.

These incidents point up the one thing that the blood bank has in common with all banks, Mrs. Brady said.

"It must remain solvent. If there are no deposits, there can be no withdrawals. That's why it's so urgent that every healthy person between 18 and 60 make an effort to give blood when the bloodmobile is in town."

Collections will be made from noon to 6 p. m. Monday at the Eagles Home on North Mechanic Street.

Fletcher Hearing

Cases were heard again today before Paul M. Fletcher, member of the Workmen's Compensation Commission, in Allegany County Court House.

Fletcher has over 40 cases scheduled during this four-day visit to Cumberland.

Theft Reported

City Police reported the theft of approximately \$80 in cash Boulevard, has earned a place in the office of First Presbyterian Church, Washington Street.

Haney Rates Braves Ready For Opener

BRADENTON, Fla. (AP)—The world champion Milwaukee Braves broke their Florida training camp today. Manager Fred Haney said the team would be ready if the season opened tomorrow.

"The players I am counting on are in good shape," he said.

"Pushed Every Chance"

"The weather hasn't been too good, but we have pushed every chance we have had and from now on the fringes will have to get in what work they can in batting, pitching and fielding practices."

"Our club is set for the opener at practically every position."

The Braves headed for Jacksonville, where they were matched against Los Angeles with left-hander Warren Spahn slated to make one of his infrequent starts against the Dodgers. Bob Rush was scheduled to work the late innings.

Rotation Established

The assignment of Spahn to the starting role means that Haney has established his pitching rotation. Others who will appear in turn are Lew Burdette, who may turn out to be the top winner on the squad this year, and Bob Buhl, who still needs more work to reach his peak.

While his starting rotation is set, Haney still has an abundance of pitching talent, including Carlton Willey, brilliant curve ball hurler who has been picked as a candidate for Rookie of the Year honors.

Haney hinted the young right-hander has earned a place on the roster when he said Willey, Ernie Johnson and Bob Trowbridge are his "long men"—early relief pitchers who figure to produce four or five good innings and then leave for a pinch batter.

Paw Paw Nine Opens With Fort Ashby

Paw Paw High's baseball team will begin its 1958 Potomac Valley Conference card next Tuesday by meeting Fort Ashby on the Pirates' diamond to launch a 10-game schedule.

Coach Sid Roach's Pirates, hoping to duplicate their great basketball season with a winning year on the diamond, will meet all PVC opponents on their slate.

Home-and-home clashes are billed with Fort Ashby, West Virginia School for the Deaf of Romney, Capon Bridge, Berkeley Springs and Wardensville. The Pirates finished seventh in the PVC last spring with six wins and four defeats.

Heading the list of returnees is left-handed hurler Phil Hamilton, runner-up to Capon Bridge's Johnny McCauley as strikeout king in the PVC in 1957. Hamilton, who had a 3-3 record, whiffed 61 batters.

The club's leading hitter from last season is also back to hold down the shortstop position. Amy Largent, a senior, swatted the ball at a 410 clip in 1957 to finish among the top dozen batters in the PVC. The schedule and roster:

| SCHEDULE | | | |
|-----------|------------------------|--|--|
| April 8 | Fort Ashby, home | | |

'Bud' Smith Suspended

RACINE, Wis. (AP)—Battered former lightweight champion Wallace (Bud) Smith was pulled out of the ring by the National Boxing Assn. yesterday, the 29th birthday of the Cincinnati fighter who said, "I can't believe I was ever champion."

The action was announced by NBA President G. Lee Jackson of Racine who said, "It's just the humane thing to do." Jackson added that the suspension in all states affiliated with NBA "will remain in effect until Smith successfully passes a physical exam by a doctor appointed by us."

The suspension came less than 24 hours after Smith was hampered into submission by little-known Genaro Brennan of Rimini in the fifth round of their scheduled 10-rounder at Miami Beach Tuesday night.

AAU Indoor Meet Gets Underway Today

NEW HAVEN, Conn. (AP)—The National AAU Indoor Swimming championships open today at Yale and all eyes will be on Australia's marvelous Murray Rose.

Rose, 19, will make his first American competitive performance since enrolling at Southern California last year.

He is a top-heavy favorite to win the 1,500-meter freestyle race, which is the initial event in the three-day competition.

Skowron On Slugging Spree Despite Being In Cleanup

By ED WILKS
The Associated Press

It seems Bill Skowron always starts to worry whenever he's pushed into the cleanup spot in the New York Yankees' batting order during the regular season. So Manager Casey Stengel decided he'd put him there in the spring exhibitions and let him get his worryin' over early.

If Skowron still is worrying, this kind of worry could put the guys who make the tranquilizers out of business.

Moore Hitting .415

The Moose—not Mickey Mantle—leads the American League champs with a .415 batting average, seven home runs and 20 RBIs. He rapped two homers again yesterday as the Yanks beat Washington 7-5.

Skowron helped push Yankee starter Johnny Kucks into a 6-0 lead with his slam off Camilo Pascual in the second. But the young right-hander blew most of it, and the score was 6-5 after the fifth when Neil Chrissy drove in three with a double. The Moose got a solo homer in the ninth off Bud Byerly.

Best pitching was at Sarasota, Fla., where Boston beat Pittsburgh 3-0. Both runs were scored in the eighth on a pair of wild pitches by rookie southpaw Joe Gibbon. The Red Sox had just one hit, Don Buddin's first inning single, through seven off Ron Kline and Bob Smith. Ike DeLoach and Leo Kely combined for the shutout for Boston.

Homers Beat Bunting

Jim Bunning went all the way for Detroit and allowed Cincinnati only three base runners over the last six innings. But by then it was too late. Gus Bell homered in the first and Smokey Burgess slugged one with a man on in the second to beat the Tigers 3-2. Brooks Lawrence, Charley Rahe and Jay Hook shut off the Tigers with five hits.

The Tigers bought outfielder Stan Palys from the Redlegs for an undisclosed price. This may mean Cincinnati has decided to go with outfielder Vada Pinson, the rookie phenom up from Class C. But also it might mean the Reds are ready to swap Burgess for an established outfielder.

Philadelphia caught up late on Harry Anderson's eighth-inning homer, matched a Dodger run in the 12th and finally won 4-3 in 14 innings on a bases-loaded single by Willie Jones. Shortstop Andre Rodgers scored a two-run homer in the ninth that gave San Francisco a 9-8 win over Baltimore.

The Chicago Cubs whipped Cleveland 8-2, scoring three in the first two innings off Mike Garcia, and socking away four in the ninth off Hal Woodeschick on Rob Speake's homer and Lee Walls' bases-loaded double.

Cec's Wins, 3-0, To Hold Margin Over McIntyre's

Cec's Cafe, with Mill Dean flashing a 218 game and 618 set, kept its four-game lead in the added that the suspension in all Cities Service Bowling League states affiliated with NBA "will remain in effect until Smith successfully passes a physical exam by a doctor appointed by us."

The action was announced by NBA President G. Lee Jackson of Racine who said, "It's just the humane thing to do." Jackson added that the suspension in all states affiliated with NBA "will remain in effect until Smith successfully passes a physical exam by a doctor appointed by us."

The suspension came less than 24 hours after Smith was hampered into submission by little-known Genaro Brennan of Rimini in the fifth round of their scheduled 10-rounder at Miami Beach Tuesday night.

Frick Denies He Won't OK LA Records

NEW YORK (AP)—Baseball Commissioner Ford Frick today shrugged off a suggestion that he refuse to allow any batting records which may be set in the stopgap Los Angeles and San Francisco ball parks this season.

"I don't see how you can outlaw any park where major league ball is played," he said. "But I don't think the home run is going to be that much of a problem in either park anyway."

'Joke Homers'

A national sports magazine said such players as Willie Mays of the San Francisco Giants and Duke Snider of the Los Angeles Dodgers each would have chances of playing 88 games in the two parks and suggested Frick take steps to prevent a "joke home-run record."

"I haven't seen the Coliseum (where the Dodgers will play their home games until a park is built)," Frick admitted, "but I don't think it will be any more of a home run haven than was the Polo Grounds, for instance."

"Most of the home run hitters have their best power to right and left center or dead-away center anyway."

Erect 40-Foot Screen

In converting the Coliseum, the Dodgers decided to erect a 40-foot screen between the field and the seats down the left field line, which runs some 250 feet. The left field foul line trickles a little farther—300 feet—before running into the stands.

The Coliseum layout offers 440 feet to dead center, 425-430 to left center and 390-420 to right center. Seals Stadium, where the Giants will play, measures 335 feet down either line, 375 to left and right-center and about 410 or so to dead center.

Day In Sports

(Continued from Page 15)

Rory Calhoun Stops Pompey In TKO Win

LOUISVILLE, Ky. (AP)—Rory Calhoun scored a sixth round technical knockout over Yolande Pompey in a televised fight here last night that sent Pompey to a hospital for about an hour.

Dr. John Ambach halted the fight after Calhoun connected with a hard right to Pompey's jaw in the fifth. Pompey subsequently couldn't move his neck.

Physicians at St. Joseph Infirmary here said Pompey had suffered a spasm of the neck muscles. The fighter from Trinidad said he suffered a similar injury two years ago in England.

He was released from the hospital after doctors put 10 stitches in a cut over his left eye which Calhoun had opened in the third round.

The happy Calhoun, who now has a 34-5-1 record, said last night was "the first time in a long time I feel strong and ready to punch."

Deaf Tossers Must Rebuild

A complete rebuilding job will have to be made on the West Virginia School for the Deaf Terrapins now, both were placed in the regular return from the 1957 season for coach Emory T. Nomeland, who is making his ward give ample reason for Terp coach "Bud" Millikan to find it worthwhile to take in the tourney all-walloped by Capon Bridge, 25-9, most every year.

And, back on the Romney diamond, All 12 to baseball, the Pittsburgh Pirates, the Lions' contests will be ates' longest home stand of the against Potomac Valley Conference opposition.

Biggest losses will be in the Monday, July 1. The Bucs pitching department where John will play 15 games in the span Popovich and Billy McCoy were . . . Their longest spell on the both graduated last spring, Popovich won three and lost three from August 13 to August 31 as while McCoy posted a 1-3 record they play 18 games.

Berries, Oranges Roll 3-0 Dux Triumphs

Both matches in the Bowman's Addition Auxiliary Bowling League wound up in 3-0 shutouts as Berries swept Peaches and Oranges blanked Lemons.

Pacing their teams were Catherine Williams, 162-398, Berries; Anne Coleman, 143-382, Peaches; Anne Bittner 129 and Marguerite Chaney 260, Oranges; Dolores Shalton 119 and Nora Bowman 303, Lemons.

LITTLE SPORT

Soviet, Yank Grapplers To Stage Series

By TONY GALLI
NEW YORK (INS)—Eight Russian free-style wrestlers, comprising the first team of Soviet athletes ever to come to the U. S., will land in New York Saturday to match muscles with American champions.

The Soviet rib-crackers, with such jaw-breaking names as Meriyan V. Tsalkalmanidze and Georg S. Skhirtladze, will fly in from Moscow along with four team officials. They will be winned and dined until Wednesday, when they fly to Oklahoma to begin competition.

Open At Norman

The Russians will take on the winners of the National AAU championships in meets April 11 at Norman, April 12 at Stillwater and on the 15th at Tulsa.

New York mat fans will get a glimpse of the visitors in a meet April 17 at the New York Athletic Club, the day before the Russians fly home.

The American championships are now being decided, April 2-5, at the San Francisco Olympic Club.

The wrestlers are launching the sports phase of the recent U.S.-USSR cultural exchange agreement.

The winners of the AAU Basketball championships, the Diesel Caterpillars of Peoria, Ill., and the women's Nashville (Tenn.) Business College, will play six games in Moscow, Tbilisi and Leningrad between April 26 and May 4.

Weightlifters To Compete

Then a team of 11 Soviet weightlifters will arrive to compete in Chicago and New York May 12-17, before a U. S. track and field team of 44 men and 22 women leaves the U. S. July 22 for a dual meet in Moscow.

Tsalkalmanidze, the 30-year-old Olympic champion of the 114.5-pound class, was runnerup in last year's world championships and has lost only four of 32 international bouts.

He and Vakhtang M. Balavadze are "honored masters of sports of the USSR." All the rest are merely "masters of sports."

Balavadze, who grapples in the 160.5-pound class, also has lost only four of 34 international bouts and was world champion in 1954 and last year. Skhirtladze is a 174-pounder.

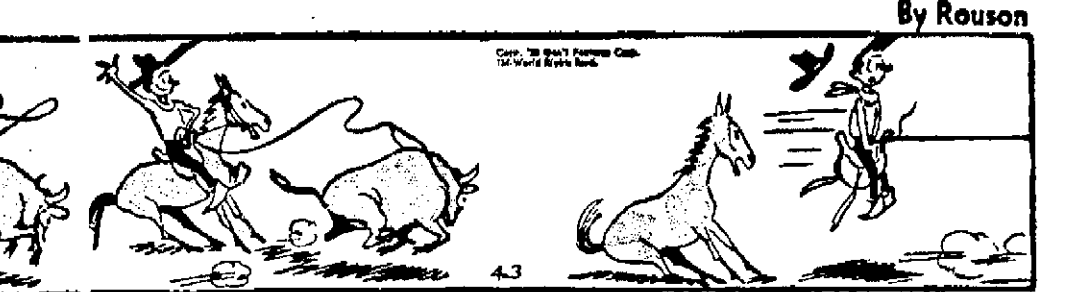

The others, all Soviet champions at one time or another, include Vladimir G. Arsenyan (125.5-pound class), Amurkhan K. Balayev (136.5), Vladimir I. Sinyavskiy (147.5), Anatoliy M. Albul (191) and Otar A. Kandlak (heavyweight).

SAVED BY SEED

O'Neal, Meeks, Shook Picked On All-CVAL

Three Cumberland cagers, including two from champion Fort Hill, were named to the All-Cumberland Valley Athletic League basketball first team as selected by the coaches at a meeting last night in Frederick.

From the champion Sentinels are forward "Junior" O'Neal and center Jerry Meeks. Representing Allegany is the league scoring king, forward Gary Shook. Donnie Keller of Frederick was placed at a guard slot along with South Hagerstown's Pat Boyer to round out the first club. Shook is the only junior, the other four all being seniors.

Cumberland had two on the second team with forward Charles Robinson, Fort Hill, and center Jack Cook, Allegany, being selected. Cook was placed at a guard slot with Frederick's Dave Markey drawing the pivot position. Ed Spencer of North Hagerstown is the other forward while Doug Brown and Charles Duvall,

both of Martinsburg, were tied for the second guard slot. Honorable mentions went to Donnie Lewis, Fort Hill; Dick Spencer and Rich Hawkins, both of North Hagerstown; and Wayne Rhoderick, Frederick.

Hot Rod Matches End In 2-1 Scores

All matches in the Hot Rod Mixed Bowling League were decided by 2-1 scores. Plymouth defeated Nash, Fords topped DeSoto, Chevrolet conquered Dodge and Buick edged Mercury.

Team leaders were Frank Drake, 201-453, Nash; Vic Layton, 199-446, Dodge; Paul Rudolph, 173-436, Ford; Donnie Layton, 178 and Ethel Layton, 399, Plymouth; Ollis Metz, 158-395, Chevrolet; Jesse Johnson, 158-418, Buick; Art Schade, 155-398, Mercury; and Bud Ryan, 143 and Nels Giffors, 384, DeSoto. Standings:

| | W | L |
|--------|----|----|
| Nash | 46 | 29 |
| Ford | 43 | 30 |
| Chev | 44 | 31 |
| DeSoto | 40 | 35 |

Good Friday Service Set At Frostburg

FROSTBURG — The annual Good Friday service featuring meditations on the seven words Christ spoke from the cross will be held in First Methodist Church tomorrow from noon until 4 p. m.

Rev. Paul V. Taylor, pastor of Zion United Church of Christ will open the service and meditations will be given by Rev. Wesley H. Harris, Welsh Memorial Baptist Church, first word; Rev. Edward A. Godsey, First Methodist Church, second word; Rev. George L. Walker, Salem United Church of Christ, third word; Rev. Paul D. Caravetta, First Presbyterian Church, fourth word; Rev. Herbert Alford, Church of the Brethren, fifth word; Rev. E. Elwood Smith, English Baptist Church, sixth word; and Rev. Joseph Byers, Church of the Nazarene, seventh word. Rev. Taylor will have the closing portion of the service.

Music is under the direction of Peter Lukas, organist. Soloists are Miss Margaret Jones, Mrs. Peter Lukas and Frances Plummer. A quartet composed of Miss Margaret Nelson, Miss Hazel Hill, Miss Jones and Mrs. Lukas, will also sing during the service. Other members of the choir are James Barrow, Jesse Snyder and Philip Krauss.

Mrs. Evelyn Piper Heads Oldtown VFW Auxiliary

OLDTOWN — Mrs. Evelyn Piper has been elected president of Oldtown B. Sister Unit 9451, VFW Auxiliary.

Mrs. Pace Stark was named senior vice president, Mrs. Pauline Naxon, junior vice president; Mrs. Margaret Carder, treasurer; Mrs. Phyllis Holler, chaplain; Mrs. Catherine Zapf, conductor; Mrs. Susie McFarland, guard and Mrs. Ivy Carder, three-year trustee.

Appointed officers include Mrs. Catherine Zapf, secretary; Mrs. Ivy Carder, patriotic instructor; Mrs. Phyllis Holler, historian; Margaret Carder, Pauline Naxon, Elsie Nield and Phyllis Holler, colorbearers; Mrs. Rose Stark, cancer chairman and Phyllis Holler, hospital chairman.

The unit is planning a joint installation with officers of the VFW post at a date to be announced. Plans are also being completed for a hospital party to entertain patients at Baker VA Center, Martinsburg, April 20.

Westernport Church Plans Youth Week

WESTERNPORT — The Training Union of Christ Memorial Baptist Church will observe Youth Week April 13-19, according to Rev. Hugh M. Maynard, pastor. Youth will assume full responsibilities for services in the church at that time.

During the Sunday School hour, John Dunnivan and Anna Simmons will serve jointly as general secretary and Katherine Riley, pianist. Teachers appointed are Patricia Marsh, adult class; Eileen Miller, assistant in the primary department and Mary Harris, nursing department.

The Sunday morning worship service will be led by Carolyn Sutherland, who will also deliver the sermon. The evening service is in charge of Carolyn Marsh.

The mid-week prayer service will be led by Carolyn Riley with Mary Evans as choir director. Ushers will be Lois and Helen Ravenscroft.

Acting deacons will be Russell Riley, Richard Connor, Robert Metz, Neil Riley, Frank Popp Jr., LeRoy Harris and Gary Bosley. Deaconesses are Sharon Cheshire, Pricilla Metz, Erna Loe and Carol Connor.

Darlene Dunnivan will be the Training Union director; Fern Green, secretary; Betty Sutherland, junior leader; Mary Harris, intermediate leader; Nancy Marsh, president of the Woman's Missionary Society; Anna Belle and Mary Nelson, first and second vice presidents, respectively.

Installation of these officers will be held Sunday morning, April 6.

CUBAN-BOUND TRIO HELD — Three young men headed for Cuba to join rebel forces of Fidel Castro landed in jail Tuesday at Winchester, Va., on auto theft charges. From left to right are Harry G. Voelker, 23, McKees-

port, Pa.; Forrest Lipscomb, 20, Thomas, W. Va., and Patrick Patterson, 19, Jacksonville, Fla. They are accused of stealing the car of Dave Brown, RD 1, Worthington, W. Va., in Preston County.

Keyser Fails To Support Blood Bank

KEYSER — Keyser once again fell far below its quota in the periodic visit of the American Red Cross bloodmobile unit yesterday. Only 48 pints of blood were donated, although the quota for the area was 150. Three others were rejected.

J. Kenna Burke, chairman of the blood bank here, expressed disappointment in such a poor turnout but explained that part of the blame rested in the fact that many are ill from flu-like diseases. The unit was here the latter part of January.

In order to continue receiving the service of the bloodmobile unit in the future, Keyser must meet its quota during the next visit. According to regulations set up by the Red Cross, the amount not secured during this visit should also be made up.

Guardsmen To Train

Five additional members of Battery C, 201st Armored Field Artillery Battalion, Keyser National Guard, will enter six months active duty training this month, according to Chief Warrent Officer Robert L. Brumage, unit personnel administrator here.

The guardsmen will leave via B&O train Saturday evening for Fort Knox, Ky., where they will be assigned to basic combat training companies.

Brief Mention

Walter G. Root, 301 Hammond Street, was admitted to Memorial Hospital, Cumberland, to undergo minor surgery.

National Meeting, Sale Of Ayrshire Association Set

MORGANTOWN — Plans are near completion for the annual meeting of the National Ayrshire Breeders' Association and the National Ayrshire Sale to be held at the State 4-H Camp, Jackson's Mill, May 5-7. It was announced here today by Robert L. Steele, associate Extension dairyman at West Virginia University. Steele, who is in charge of publicity for the host committee, said this is the first time that a national meeting of the association has been held in the Mountain State.

The group will first gather at Morgantown May 5 for a tour of the West Virginia University campus and an open house at the WVU Dairy Farm. En route to Jackson's Mill, members will visit several Ayrshire herds and other points of interest. The recreational period that evening will include round and square dancing.

A business meeting of the directors of the association is scheduled for May 6. At the dinner that evening, Gov. Cecil H. Underwood will speak and national Ayrshire awards will be presented. Toastmaster will be L. S. Hartley, Baltimore, manager of agricultural development for the Baltimore and Ohio Railroad.

The National Ayrshire Sale, approximately 40 animals from throughout the United States, will take place May 7. Sales manager will be William Carpenter, Rutherfordton, N. C., who has managed many state Ayrshire sales in West Virginia.

Headquarters of the National Ayrshire Breeders' Association is at Brandon, Vt. Walter J. Hahn, Frederick, Md., is president of the group, and David Gibson Jr., Brandon, executive secretary. Treasurer, Robert F. Dix, De Graff, Ohio, is area fieldman. F. B. St. Clair, Buckhamton, is president of the West Virginia Ayrshire Breeders' Association and Dale Guthrie, Morgantown, secretary-treasurer.

Methodists Map Service At Mt. Savage

MT. SAVAGE — Mr. Savage, Methodist Church will hold a Holy Communion service today at 7:30 p. m. with the pastor, Rev. Lloyd Hager, officiating. A Good Friday service will be held tomorrow at 7:30 p. m.

Sunday, a sunrise service will be held at 6. Church service will be conducted at 9:30 a. m. and the Easter service will be at 10:45 a. m. Music will be provided by the church choir under the direction of Mrs. Margaret Haus. Miss Lola Lewis will be organist.

The Youth Fellowship service Sunday will be at 7 p. m.

Service Today

The Holy Thursday service at St. Patrick's Catholic Church will begin at 6:30 p. m. today with the Mass of the Last Supper, followed by Adoration of the Blessed Sacrament until midnight.

Good Friday will be marked at 2 p. m. with the solemn liturgical service of the passion and death of Our Lord. The service will include the unveiling of the crucifix, Adoration of the Cross and Holy Communion.

The Easter vigil service will begin at 11 p. m. Saturday. Ceremonies will include the blessing of the new fire, the paschal candle and the Easter and baptismal waters. A high mass will follow at midnight.

Masses Easter Sunday will be celebrated at 7 and 9:30 a. m. An oblate of the Order of Mary Immaculate, Washington, will assist Rev. Michael S. Smyth, pastor, with the services.

Brief Mention

Mr. and Mrs. William M. Emery and sons, John and Henry of Wilmette, Ill., and Mr. and Mrs. Edward Henckel and daughter, Susan, of Cleveland, are here to attend the funeral of Edward V. Henckel.

Miss Margaret Ann Campbell, Baltimore, is visiting her parents, Mr. and Mrs. Matthew Campbell.

W. Va. Board Public Works Considers Armory Requests

CHARLESTON — The Board of Public Works considered today for approval of salary increases requests by the State Armory for the last three months of the Board for release of appropriate present fiscal year, which ends June 30, at three institutions.

The State Penitentiary asked the board to allow pay boosts for \$6 per month for the last three months of the fiscal year, and permit an increase from \$230 to \$250 a month for guards for the same period for 40 guards, available for three-fourths of the cost.

The board also was asked to approve a \$100,000 transfer of St. Marys would involve a straight 10 per cent for all employees.

Moose Sponsor Easter 'Carlift'

KEYSER — "Operation Easter Carlift," planned to help persons who are handicapped by illness, disability or lacking transportation to attend Easter services in the church of their choice, will be sponsored by Moose Lodge 26481 any day after 3 p. m.

Clergymen of Keyser have been contacted by letter in an effort to determine how many persons will require free transportation. Such cases include unemployed workers who have exhausted their 24 weeks of unemployment compensation, or who were laid off from jobs not covered by unemployment insurance.

The \$100,000 would be used partly to help such persons, Egbert added. Some of it would be used also for immediate grants to employable persons to tide them over the one-month waiting period before receipt of their first check under the regular assistance program.

Area Scouts Hold Outing

CRESAPOTOWN — Boy Scout Troop 9, sponsored by Cresap-town Methodist Church, held a recent outing at McCoolle. Members arrived at the camp site in the morning, built camp fires and cooked two meals before returning home. The meals consisted of solid foods such as meat, soup and potatoes. A total of 17 boys from the four patrols and their leaders took part.

Scoutmaster Delbert Leese gave a demonstration on how to start a camp fire of flint and steel, using steel wool for tinder. There was a discussion of Scout leaders, their duties and the responsibilities of their patrol.

Scouts concluded the outing by setting out 100 trees furnished by the Forest and Conservation Officer Brooke Budkin of Dawson.

Transportation for the Scouts was furnished by Mrs. James Ritchie and Harvey Wilt of Rawlins, Leese and Mrs. Robert Metz of Cresaptown.

Two of the Scouts, Dennis Babo and Jay Miller, in working for their merit badge, hiked from Brant Road in Cresaptown to the camp site, a distance of 12 miles, by using the gas lines for their trail.

Home-makers Meet

The Westernport Homemakers Club held their annual dinner recently in the recreation room of Trinity Methodist Church at Piedmont. Thirty-five members and two guests, Miss Mary Wise of Cumberland, Allegany County home demonstration agent, and Mrs. Irene MacDonald, also of Cumberland, attended.

Mrs. William B. Smith Sr., past president of the club, gave a report on the workshop held in Cumberland concerning the making of a portable lamp shade. The theme of Miss Wise's talk was, "Storage in the Home." She also showed slides.

Mrs. Ernest Wilson, president, presided over a short business meeting. The dinner was served by Susannah Bible Class under the direction of Mrs. Ray L. Wilt. The next meeting will be held at Trinity Church Friday evening, April 25.

ROTC Staff Is Increased

KEYSER — Two recent additions to the staff of the Reserve Officers Training Corps program at Potomac State College include Master Sgt. Robert N. Good and SFC. Donald W. Breneman.

Sgt. Good, a native of Chillicothe, Ohio, has 18 years military experience, beginning with nine years in the National Guard in 1931. Called to active duty with the U. S. Army as a second lieutenant in 1940, he reported to Camp Shelby, Miss., with the 37th Infantry Division, rising in three years to the rank of captain.

Four days after D-Day in 1944, he went overseas with the 29th Infantry Division, a National Guard group from Maryland and Virginia. He joined the 29th Division in France, serving with them continuously throughout the war. Upon returning to the States in October 1945, he was assigned to an Infantry Training Center at Ft. McClelland, Ala., until discharged.

Re-enlisting with the rank of master sergeant in 1946, he was assigned to the 383rd Military Police Battalion as battalion sergeant major in Europe, serving in France and Germany until 1951. His duty at an end, he was re-enlisted and was recalled to active duty as captain and sent to Korea, where he served nearly two years with the 17th Infantry Division of the 7th Infantry Division until November 1952.

Regiment of the 7th Infantry Division until November 1952; when he returned to Camp Atterbury, Ind., and served with the 31st Infantry Division for three years. He re-enlisted as a master of the fiscal year the road will be scraped and dirt will be re-laid.

Authorized to purchase 24 raincoats and hats. Chief William Mayles stated there are 55 men in the company, and this is the first coat and hats purchased.

Mayles invited town officials and their wives to the annual firemen's dinner to be held Saturday, May 3, at the Westernport Tea Room. A dance will follow.

A letter in answer to a request to the State Roads Commission, asking for maps of the proposed rerouting of Route 36 through Westernport, was read by Mrs. Katherine Dailey, town clerk.

Council ordered that the following amounts be transferred to the bond service reserve account: \$1,500.25, bond interest; \$1,500, bond service and \$141.25 bond redemption improvement. The Citizens National Bank was authorized to invest \$13,500 in U. S. government bonds from the bond service reserve account.

If a used street sweeper meets with council approval for sale by the West Virginia Mine Supply Company of Clarksburg, W. Va., the town will rent it with option to purchase the machine for \$1,325. The sweeper contains a 170-gallon spray tank and a pickup broom six feet in length. Hammond Street School pupils will move into the former Bruce Toledo where he set up the High School on Church Street after the Easter holidays. Police have conferred with school authorities three years with the 29th Infantry Division as to a safety program and 9th Divisions as to a safety program and 9th Divisions as to a safety program.

Ordered to Europe in 1952, he served three years with the 29th Infantry Division as to a safety program and 9th Divisions as to a safety program.

Honest Moonshiner Tells Agents Truth

NOBLESVILLE, Ind. — Charles J. Day, an arrested moonshiner, told federal agents his homemade whisky was 140 proof. "It wasn't too good," he conceded, "but it certainly was strong."

PLAN EASTER PLAY — Rehearsing for an Easter play, "Into Thy Kingdom," which will be presented at a union sunrise service Sunday at 6 a. m. in First Evangelical United Brethren Church, Berkeley Springs, are (l. to r.) Edward Grove, Douglas Allamong, Patsy Linaweaver, Gary Kerns, Ramona Potter, Linda Slonaker, Joseph Leary and Robert Everett, members of the Youth Fellowship. Directors of the one-act presentation are Rev. and Mrs. Paul J. Slonaker. The play was written by Dorothy Clarke Wilson.

Delegation Seeking Road Repair Work

WESTERNPORT — A delegation of 20 citizens appeared before the Mayor and Council last night to request repairs for the road on the north side of Maryland Avenue. They also complained of water running into cellars.

Mayor Okey E. Michael pointed out that the town does not have money for the project at this time. It was ordered that if funds are available by the end of the fiscal year the road will be scraped and dirt will be re-laid.

Authorized to purchase 24 raincoats and hats. Chief William Mayles stated there are 55 men in the company, and this is the first coat and hats purchased.

Mayles invited town officials and their wives to the annual firemen's dinner to be held Saturday, May 3, at the Westernport Tea Room. A dance will follow.

Flintstone Area Church Will Hold Sunrise Service

FLINTSTONE — Glendale Church of the Brethren will hold an Easter sunrise service Sunday at 6 a. m., according to Rev. John B. Battenmyer, pastor.

The program follows: Invocation, Rev. Glenn Jones; hymn, "America, the Beautiful," congregation; scripture reading, Rev. Edward Blevis; prayer, Rev. Hazel Devore; anthem, "Like As A Father," Cherubim Chorals.

Offering: hymn, "All Hail the Power," congregation; sermon, Rev. Wendel Cover; anthem, "The Lord Bless You and Keep You," Lutkin Chorals and a term of two years.

Candidates must file at the clerk's office five days before the election. Under the town's charter enacted in 1955, the community does not hold a primary.

Plan Reunion
Members of the 1938 graduation class of Bruce High School will observe their twentieth anniversary of the event.

A meeting of the class will be held at the home of Mrs. Shirley and infant son, Rodney, visited Keller, 326 Spruce Street, tomorrow at 8 p. m. to make plans for determining the date and place to hold the celebration.

Members of the class are asked to contact others to attend the reunion, Castle Hill, is a surgical meeting.

The sign-up deadline for free planting under the 1958 Conservation Reserve program is April 15.

Wanted: Reliable baby sitter—after April 11 will not have their garbage collected.

Miscellaneous News Items From The Mountain State

By The Associated Press

Mountain State miscellany: Del. Booth (D-Payette) said he has contacted legislative leaders in an effort to stir up interest in a special session to relax the state's unemployment law and permit benefit payments over a longer period of time.

General Services Administration in Washington has awarded a design contract for a proposed new federal building in Charleston to the architectural firm of C. E. Silling and Associates and Griete and Daley, both of Charleston.

The Kanawha County Court said that money set aside for enlarging the Kanawha Airport office building would be used instead to 31 windows, two light bulbs and match federal money for repaving of the No. 1 runway.

The Kanawha Radio Club, made office stole only a three-dollar up of "ham" operators in the Charleston area, has formed a television interference committee to aid in resolving causes of suspected interference with TV pictures by amateur transmitters.

able of generating steam efficiency by burning a new type of low-volatile char would be used at the Kammer Power Plant now under construction in Marshall County.

Wheeling was prepared today to ask the Federal Housing Administration to qualify the city for 156 units of private housing to be made available to families displaced by highway construction or urban redevelopment.

Louis Cochran of Santa Monica, Calif., has published a biographical novel about the life of Alexander Campbell, founder of Bethany College and an influential religious leader in the early 1800s.

Thieves who broke three 10-year-old windows, two 15-year-old windows, two light bulbs and match federal money for repaving of the No. 1 runway.

The Kanawha Radio Club, made office stole only a three-dollar up of "ham" operators in the Charleston area, has formed a television interference committee to aid in resolving causes of suspected interference with TV pictures by amateur transmitters.

Easter Sunrise Service Sunday

ROMNEY — The annual union Easter service sponsored by the Romney Ministerial Association will be conducted in Romney Methodist Church at 7 a. m. Rev. Wayne P. Todd, supply pastor of Romney Presbyterian Church, will speak.

The Romney Choral Club will present two anthems during the service, and serve as the choir. A Good Friday service from noon until 2 p. m. will be conducted in St. Stephen's Episcopal Church. The service will be open to all, followed by a series of five meditations conducted by ministers of the town.

Pay Period Stipulated

BALTIMORE — Marylanders benefited reported to the department who have exhausted their unemployment benefits must stand by the department's decision on a new benefit year for their first valid claim before requesting additional benefits, the Department of Employment Security said today.

A department spokesman said several claimants who had run through the entire 26 weeks of

Central YMCA Plans Holy Day Observance

All active programs at Central YMCA will be discontinued tomorrow in observance of Good Friday.

The Saturday schedule will be conducted as usual, according to B. C. Smith, general secretary.

You can buy a full-page newspaper ad, to run in every daily newspaper in the United States, for about a penny a copy.

Utility Digs Back To Rates Of Depression

BALTIMORE — The Baltimore Gas and Electric Co. has harked back to the depression year of 1932 in an attempt to show it needs a proposed 10-million-dollar rate increase.

Vice President Herman L. Gruhn told the Public Service Commission that revenue would be 6 per cent higher if 1932 rates were in effect today. The average home user would be paying \$7.56 a month, he said, instead of \$6.79.

The utility's proposed increase amounts to 6 1/2 per cent more for gas and electricity and 10 per cent for steam heating. Hearing of the case began yesterday before the PSC.

Baltimore Gas and Electric, meanwhile, said damage from the March 19-20 snowstorm was "many times as great" as that caused by Hurricane Hazel in 1954.

More than 3 1/2 million dollars was its new estimate of the damage in a storm report asked of all utilities by the PSC.

Other company facts and figures on storm damage included: An estimated 100,000 to 150,000 electric customers had no service the morning of March 20.

There were 3,215 workers used in emergency duties, some of them — 1,468 — called in from neighboring states.

Of the total damage figure, \$1,668,000 was spent restoring service and the \$1,928,000 balance is the estimated cost of making permanent repairs and replacements.

Missionary Aid Listed By Corps

Members of the Salvation Army in Cumberland have given \$500 in a Lenten self-denial program to help fellow Salvationists engaged in missionary work throughout the world.

Members of the Citadel Corps have contributed \$275 toward the annual campaign and Salvationists of the South Cumberland Corps, \$225.

The Lenten offerings will be used to support the work of the Salvation Army in such areas as India, Rhodesia, Nigeria, the Belgian Congo, South Africa and in Korea.

American funds in India will be used to repair and furnish modern equipment for high school classrooms, erect a nurses home and maintain a school for the blind. The Army has over 2,400 native officers serving their countrymen in over 4,500 villages.

In the Belgian Congo, where 9,000 children are taught in Salvation Army schools, Lenten self-denial funds will be used to furnish a youth club in Leopoldville and help provide quarters for native officers.

For every man, woman and child in the United States, there are roughly two classified ads published in newspapers.

Railroad Car Plant To Cut Work Force

HUNTINGTON — About 600 employees at the Huntington plant of its American Car and Foundry Division will be laid off during the last half of April, Ace Industries, Inc., announced today.

Works Manager W.B. Chellis said the action stems from a lack of railroad car orders which is affecting railroad carbuilders throughout the country.

The local factory makes mine as well as railroad cars. About 1,200 men currently are on the payroll, a plant official said.

Damage Suit Filed In Car Accident

Thomas G. Barton, RD 3, Keyser, has filed a \$1,000 damage suit in Allegany County Circuit Court against Doris May Abe, 24 Waverly Terrace, as the result of a collision on New Years Eve at the Frederick and Decatur Street intersection.

The suit charges the Abe car failed to observe a stop sign and struck a vehicle being driven by James E. Truka, forcing that vehicle into Barton's parked car.

74-Year-Old Man Drowns In Fish Creek

GEORGETOWN, W. Va. — Patrick L. Prendergast, 74, of Georgetown, drowned in Fish Creek here yesterday.

Prendergast's body was discovered yesterday by a passing motorist, Jack Kimble, also of Georgetown. Coroner Ernest Connors of Whetzel County said the victim was last seen late Tuesday night. Connors said he did not know what Prendergast was doing at the creek.

Death Of Lumberman Probed Near Elkins

ELKINS — Randolph County, Maxwell later they believed there was a possibility that Shreve was the victim of a type of poisoning. The prosecutor immediately ordered that an autopsy be performed.

Shreve left his widow, three sons and two daughters.

The average total content of a daily newspaper is equivalent to a 6" x 9" book of 204 pages.

Maxwell reported that Albert Perry Shreve died in an ambulance en route to an Elkins hospital last night after he suddenly became ill at his home.
